SPRING 2017 ESL SEMESTER:

JANUARY 28 – MAY 6, 2017

Many English as a Second Language (ESL) programs in our community have long waiting lists for students who want to learn to speak the English language. The Mounce Library is helping other community organizations meet this need in the Brazos Valley by offering an ESL program, modeled after other successful ESL programs offered by public libraries across the state of Texas. Classes will be held at the Bryan Adult Learning Center; [click for a map](#).

BARBARA BUSH LITERACY CORPS ADULT LITERACY LIBRARY PROGRAM

The Barbara Bush Literacy Corps Adult Literacy Library Program (BBLC ALLP) at the Mounce Public Library provides Adult Basic Education (ABE). The materials are funded through a generous grant from the Barbara Bush Literacy Corps. Classes may include one-on-one tutoring, small group classes, or large classes with a teacher and volunteers.

Adult Literacy at the library focuses on teaching adults beginning reading and reading improvement including workplace and health literacy.

The services of the Barbara Bush Literacy Corps Library Adult Literacy Program are free and available to persons in the Brazos Valley over 18 years of age who are not currently enrolled in Blinn College or in any public school program (such as GED classes at the Adult Learning Center).

To become a volunteer **tutor**, or register as a **student**, please contact the Family Literacy Librarian Bobbee Pennington via email at bpennington@bryantx.gov or by phone at the Clara Mounce Library at (979) 209-5600.
