

**UNIFORM REQUIREMENTS:** The administration reserves the right to determine if the student meets the standards of the school regarding dress and grooming during the school day and at school events. In general, clothing and personal grooming should be such as to suggest the serious minded Christian student. Students should wear the uniform properly and proudly at all times. Uniforms are to be in proper condition and not torn, faded, cut, or damaged. Students who are not in compliance with the dress code will correct the violation at once. If the violation cannot be corrected on site, the parent or guardian will be required to bring the appropriate clothing to school, or the student will be sent home until the infraction is corrected. Uniforms may be purchased at Key's & Co. in New Roads. **Green at all times means hunter green, and khaki is a brown not white color.**
