We know that communication regarding student academic progress is of the utmost importance. The purpose of the yellow folder is to improve parent/teacher communication. Inside this folder is student work, flyers and information from the school and teachers. Progress reports are also sent home every week in the yellow folder.

Each Thursday, yellow folders are sent home to provide you with up to date information on how your child is doing in each of their core classes and to inform you if your child is missing any assignments. After reviewing the information in the yellow folder, please sign the folder and send it back with your child.
