This is to certify that the LINDEN UN School District has received payment of fees per LINDEN UN School District Board Resolution No. 102010-R24. It is understood that any alterations or changes in the reportable square footage for which a building permit is required will require a fee adjustment and the issuance of a new certificate of compliance to replace original certificate.

670 square footage x \$ 3.04 sq.ft (Developer Fee) = \$ 2,036.80

Remarks: Fees calculated based on difference between square footage of demo'd mobile home (770 sq. ft.) which mobile home has been removed (see attached Permit #BP-1202807) and replacement mobile home (1,440 sq. ft.).
