Principal Whitney Prenger

March 16, 2018

Dear Vejar Families,

It has been an honor working with the Vejar community as Interim Principal this year. Our time together has provided me with the opportunity to build relationships, learn the values of Vejar, and support our students and staff.

I am happy to share that at the March 14th WVUSD Board of Trustees' meeting, I was formally approved for the position of Principal of Vejar Elementary! I am truly honored to continue serving the families and community of Vejar. I look forward to our journey together, continuing to work with our students, and am excited to serve as your principal and educational community leader.

Thank you for your continued support,

A handwritten signature in black ink that reads "Whitney Prenger".

Whitney Prenger
