When we work together and put children first, GREAT things happen! I am awed by the generosity both financially and the gift of time that so many readily committed to so that the future for ALL students in Center Line Public Schools is bright and filled with hope.

Our employees had the day off but were out en masse. I saw many teachers, support staff, and administrators speaking with our community members ensuring an understanding of the blessings that the bond would bring to our kids. They came out early, smiling, and excited to be a part of something big! All day long I received text messages from staff letting me know that they reached out to their parents and were excited by the support and enthusiasm their parents expressed. Families sent photos of themselves at the polls to many teachers, and our kids learned about the critical nature of exercising the privilege of voting and deciding the future.

I sat with employees and parents and was energized by their commitment and concern for the future of this great school district. They talked about how blessed they are to work with our students and their families and mirrored my feelings for every one of our students. I feel lucky coming to work to serve this community and will continue to work hard to ensure excellence.

We will be pulling a group of community and parents together to share the maintenance plan for our new/renovated structures. We will invite everyone to frequent meetings for updates on the progress of the bond work. This will be a community process, and we will be transparent in all aspects of the builds.

THANK YOU, THANK YOU, THANK YOU for your support, time, and commitment. Thank you for bringing hope to our many talented, intelligent, and capable children. The future of Center Line Public Schools is bright and wonderful!
The mission of Center Line Public Schools is to provide all students relevant and challenging learning experiences to inspire success and empower them to be leaders of tomorrow.

The proceeds from this joint venture with Van Dyke Public Schools fund teacher grants and student scholarships - and you have the chance each month to win a vacation or cash! Win-win! Right now we are way behind Van Dyke in sales. Get your ticket now, support our teachers and students, and make CLPS proud!

Employees: Did you know that you could “purchase” your ticket through payroll deduction? You can do it all at once or even choose to take out $25/pay over four pays! What a deal! Forms are available on the CLPS website. Send them to Sue Pauling at the admin building. Remember, if you purchase your ticket through Gary Oke, he has a “special prize with purchase” promotion going on!
CLHS Happenings

Beret Café

Mr. Roman’s Junior English class in combination with the Center Line Jazz Band hosted a groovy evening at the Dovetail in Warren on November 1st, reading stories of personal experiences and lessons learned. The Jazz Band wowed the crowd with such classics as *California Dreamin’*, *In the Midnight Hour*, and *Fly Me to the Moon*. Parents and students had a great time, shared some good stories, and maybe even came to see the world and each other in a different way. The Beret Café lives on! (See more pics on the CLHS Facebook page!)

Just Build It Field Trip Construction Career Expo at EMU

Students learned about the many trades offered in southeastern Michigan such as construction, architecture, masonry, electrical, building trades, etc.
**Candy for the Troops**

Wolfe students donated Halloween candy for troops deployed overseas. Students brought in over 3000 pieces, which were shipped to Operation Shoebox with letters from the students in honor of Veterans’ Day.

**Peck Points**

**Wolfe Teams Up with Peck**

Mrs. Baaso and 40 of her 8th grade students traveled to Peck to present lessons about sound and waves to the 4th graders. It was the product of their PBL. The lessons were so engaging! Both classes learned a lot. A big thanks goes out to Ms. Suida and Ms. Gorney for being so helpful and flexible as we came into their class time to teach our lessons. Also, thank you to Teryn King for sparking the idea for the PBL. See more pictures on the [Wolfe Facebook page](#)!
ECC Notes

ECC is showing its school spirit, and our students say Thank You to everyone who made the passing of the bond possible. Our students are the youngest members of the Center Line Family, and passage of the bond means they will have an awesome start to their educational journey, from clean, safe buildings to updated technology, and even an amazing playground appropriate for their age. We are so excited that the children of the ECC will be able to see and be a part of all the positive changes to the district! The future looks bright for our little ones!

Good Food - Good Fun!

Ms. Karmain and Ms. Lucy created a fun bulletin board in the lunch room to interest kids in eating more fruits and vegetables. Yum!
Upcoming Events

11/10/2017  Veterans’ Day Ceremony @ CLHS, 6:00pm
11/13/2017  Finance Committee Meeting @ Admin, 5:30pm
            Board of Education Meeting @ Admin, 7:00pm
