## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

#### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2016-17)**

---

#### School Description

George B. Miller Elementary School is one of eight elementary schools in the Centralia School District and is located in the City of La Palma, a suburban community located in the Northwest corner of Orange County. Miller Elementary School's attendance area also includes portions of the City of Buena Park and the City of Cypress. George B. Miller School is a school in which educational excellence is a shared responsibility between students, staff, family and community. Children are the focal point of all decisions. Students and staff members hold themselves to high standards of personal performance and are accountable for their decisions and their actions. Our goal for all students is that they become self-motivated individuals who demonstrate respect for themselves and others by learning to excel in a culturally diverse population.

A School-Wide Positive Behavior Intervention System (PBIS) program is in operation at Miller Elementary. The program focuses on instructing students in the school's core values: Be Respectful and Achieve. Be Considerate and Excel (RACE).

#### Vision Statement

George B. Miller School is to be a school in which education is a shared responsibility between the students, the staff, the home, and the community. Children are the focal point of all decisions. Students will demonstrate respect for themselves and others in a culturally diverse population and learn to work together toward common goals. Students and staff members will hold themselves to high standards of personal performance and will be accountable for their decisions and their actions. Students are to become self-motivated life long learners who will discover the joy of learning through an engaging educational program. Through school programs, students will acquire the skills and concepts needed to meet and surpass Common Core State Standards in order to be successful in all aspects of our technological society.

#### Mission Statement

In partnership with parents and the community, our school is dedicated to providing a challenging learning environment for all students which will enable them to reach their maximum potential in becoming productive, contributing citizens for today and tomorrow. Staff members work collaboratively to provide students with a rigorous, California Common Core State Standards-based curriculum in a safe learning environment. Individual creativity and contributions are promoted in a nurturing environment of cooperative spirit, positive attitude, and mutual respect.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Low-Poverty Schools in District	100.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: December 2015

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The District takes great efforts to ensure that all schools are clean, safe and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

#### Age of School Buildings

Miller School was built in 1961. During the year 2004-05 school year all buildings were modernized and retrofitted with new alarm systems, electrical systems, air conditioning and plumbing. Buildings were made handicapped accessible.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 191 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures classrooms, restrooms and campus grounds are kept clean and safe. As responsible members of the community we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

**Deferred Maintenance Budget**

The district funds the School Deferred Maintenance Program, which funds expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2016-17)**

The Centralia School District welcomes and values parental involvement in District and school programs. During the 2015-16 school year, CESD continued the Local Control Accountability Plan (LCAP) process. This funding process requires school districts to engage parents, teacher, employee groups, and the wider community to be a part of the development of the LCAP. Informational meetings were held with various stakeholders including Board members, parents, PTAs, and advisory groups (DELAC, GATE, PTA). The LCAP Committee includes representatives from each stakeholder group. The culmination of the LCAP Committee was the adoption of the 2015-16 LCAP on June 24, 2016 by the Board of Trustees. The LCAP represents an opportunity to further strengthen the commitments between our District and our community on behalf all of students.

Miller School is proud of its active and involved parent community. Parents are invited to take an active role at Miller School. There are four different groups with regularly scheduled opportunities for parents to provide leadership at our school. The School Site Council (SSC) focuses on the annual school goals and is responsible for the Single Plan for Student Achievement (SPSA) as well as final approval for School Safe Plan; the English Language Advisory Council (ELAC) offers input for parents of students who are learning English; the Safety Team gives parents an opportunity to help design and implement our safety plan; the Parent Teacher Association (PTA) coordinates activities in support of the school programs and provides support for all students.

The school website provides information regarding all aspects of parent involvement. "School Messenger" messages are sent regularly to keep parents updated on all school activities. In addition to the formal organizations, parents are encouraged to become classroom or office volunteers. The school makes many efforts to involve parents.

Parent Opportunities for involvement and engagement include:

Classroom & School Volunteers  
PTA sponsored activities  
Field Trip Chaperones  
Volunteer Work in Classroom  
Back to School Night  
Open House  
Fall and Spring Conferences

Awards Assemblies  
Weekly Communication via phone & email  
Friday Morning Assemblies  
Coffee Chats with the Principal  
Parent/ Community Facilities Meeting  
CAASPP Parent Meeting  
District-wide GATE Student Conference

Parents have an opportunity to provide input about the instructional program via their participation in a variety of meetings/workshops including:

- Regularly scheduled merged School Site Council/English Language Advisory Council (SSC/ELAC) meetings
- District GATE Parent Advisory Council
- District DELAC meetings
- Monthly Coffee Chats with the Principal
- LCAP Committee

These groups meet on a regular basis to share information, discuss school programs, evaluate performance data and provide input toward school-based decision making. The SSC/ELAC oversee the development and implementation of the school's Parent Involvement Policy including categorical budgets and the evaluation of the Title I program. The SSC holds the final approval for the Safe School Action Plan.

For additional information about organized opportunities for parent involvement at George B. Miller Elementary, please contact the principal, Dr. Stacy Chang or PTA President, Erin Quezada at (714) 228-3270.

## State Priority: School Climate

### School Safety Plan (School Year 2016-17)

Safety of students and staff is a primary concern of Miller Elementary. The School Site Action Plan was developed by the Site Safety Committee and the School Site Council with input from the School Safety team. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2015-16 goals of our Safe School Action Plan include the following goals:

#### COMPONENT ONE: PEOPLE AND PROGRAMS

Goal 1: Miller School's climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules and develop responsibility for their learning and respect for themselves and their school.

Goal 2: Miller School's climate shall provide an emotionally secure learning environment for all students.

#### COMPONENT TWO: PHYSICAL ENVIRONMENT

Goal 1: Miller School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

Goal 2: Miller School provides for the safety of students and staff through a well-planned and implemented crisis response plan.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

G. B. Miller School believes that ensuring a positive learning experience requires a safe and orderly environment. Toward this end, G. B. Miller created a schoolwide positive behavior system that communicates high expectations for student behavior. Each student receives training on behavior expectations. At the beginning of the school year students are expected to embrace the "RACE" attributes (Be RESPECTFUL and ACHIEVE, be CONSIDERATE and EXCEL). Teachers teach, monitor, enforce and exhibit these attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion and Mandatory Expulsion and Sexual Harassment.

Date of Last Review/Update: January, 2016

Date Last Reviewed with Staff: January 2016

The Centralia School District's Board of Trustees reviews the safety plans annually by March 1.
