

**APRIL 20th 7:30 am - 8:20 am**

*Help Baldwin Stocker jump start celebrating the upcoming Earth Day on April 22nd by walking to school on April 20th.*

*If you live close to the school we encourage to get your neighbors together and walk the safest route to school. If you live a little too far away consider parking further down the road and walk the remaining distance. Don't forget to leave a little earlier to be at school on time.*

***Walking to school is good for the environment, good for you and its fun!!***
