Dear Mr. Presuto:

Pursuant to the requirements of N.J.A.C. 6A:30, the Secaucus School District has undergone the Quality Single Accountability Continuum (QSAC) district performance review (DPR). Based on that performance review, Acting Commissioner Hespe has placed the district on a continuum in five areas: instruction and program, fiscal management, governance, operations and personnel. The complete DPR results, including county office verification of the district's self assessment, are enclosed. The placement scores are listed below:

DPR Areas	Initial Placement
Instruction and Program	85%
Fiscal Management	90%
Governance	100%
Operations	95%
Personnel	100%

These placement results will be provided to the State Board of Education at an upcoming meeting. Please be advised that the QSAC regulations require your district board of education to report these results at the next regularly scheduled board meeting.

Pursuant to N.J.A.C. 6A:30-4.1(f), if your district believes that any indicators were scored incorrectly, you have seven days from the receipt of this letter to submit a written reconsideration request. E-mail your reconsideration request to [qsac@doe.state.nj.us](mailto:qsac@doe.state.nj.us) or mail it to the address on this letterhead (Attn: QSAC Reconsideration).

Acting Commissioner Hespe will recommend to the State Board of Education that your district be certified as providing a thorough and efficient system of education, for a period of three years or until the next QSAC review. Congratulations on this accomplishment.

Sincerely,

  
 Robert L. Bumpus  
 Acting Assistant Commissioner  
 Division of Field Services
