

# Easy Money for Carver

The Carver Computer Lab is partially supported by the KL Carver Enrichment Fund. Here are FOUR easy ways to earn “FREE” money for Carver at no additional cost to you. We need your support!

**1. Buy Scrip Gift Cards** – Scrip are gift cards used to purchase the items you buy everyday such as groceries, coffee, clothing, etc. The Enrichment Fund purchases Scrip at a discount and sells them to you at face value. The difference goes to support the Carver Computer Lab. **Scrip is on sale every Tuesday (8:15-9:00AM)**. You may also return your form to the office or teacher and pick up at your own convenience.

**2. Ralphs Rewards Card** – Starting **September 1, 2015**, link your Ralphs Rewards card to earn money for Carver while you shop. Information and instructions to link your card will be provided at a later date.

**3. Target - Take Charge of Education Program** - Designate your Target REDcard to benefit Carver School with each purchase.
