MySchoolBucks® Mobile App Update – Important Information

Parents using the MySchoolBucks® mobile app will receive email notification to update to the latest version (5.1.2) that includes a number of security enhancements on Friday, March 24.

Beginning the week of March 27, all previous versions of the mobile app will no longer allow parents to access their accounts or make payments.

Not signed up for MySchoolBucks®?

This online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. You can also view recent purchases, check balances, and set-up low balance alerts for **FREE!**

MySchoolBucks® provides:

- **Convenience** - Available **24/7 on the web** or with the **Mobile App** for your iPhone, Android or Windows phone!
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks® adheres to the highest security standards, including PCI and CISP.

Enrollment is easy!

1. Go to www.MySchoolBucks.com and register for a free account.
2. You will receive a confirmation email with a link to activate your account.
3. Add your students using their school name and student ID.
4. Make a payment to your students' accounts with your credit/debit card or electronic check. *A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.*
