Dear Community,

When sending fellow Jesuits to new missions, Saint Ignatius of Loyola closed with, "Ite Omnia Inflammate!" or "Go Set the World on Fire!" Fiscal year 2015 was momentous because, in addition to renewing our six-year Cooperation Agreement with the Wisconsin Province of the Society of Jesus, for the first time, our high school graduates received bachelor's degrees. Twenty-one grads (33%) from the class of 2011 now have a two or four year degree and we anticipate that 60-70% will complete their degrees in the next two years. Our faculty and staff was pleased to attend many commencement ceremonies, where we saw the fire in our graduates' eyes as they are now taking on the world. The graduates from the class of 2015 continue the strong tradition of 100% college acceptances, with a record 95% directly enrolling in college.

Our mission is to serve and educate under-resourced students and families in the Jesuit tradition as a Catholic, College and Career Preparatory School. With college graduates now in their first post-college jobs, that mission is alive and well. We are deeply grateful for, and extend our thanks to, the commitment of our benefactors, our Corporate Work Study Program Partners and supervisors, our extraordinary faculty and staff, volunteers, the Society of Jesus, and our Board of Directors, all of whom contributed to make 2015 a year when students and graduates set the world on fire!

With gratitude,

Girard Miller  
Chair of the Board
