California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Richman Elementary School was established in 1958 and is located in the City of Fullerton in Orange county. It is bordered by a public park to the East with residential homes to the West. Richman's population is composed of students from diverse backgrounds with 87.66% of families eligible for free or reduced lunch. Richman is identified as a Title I School program Transitional Kindergarten (TK) through sixth grade. In addition we have an Award Winning Reggio Inspired State Pre-School program on campus that serves the Fullerton School Community.

The current Richman school enrollment for the 2017-18 school year is 849 which includes our Transitional Kindergarten (TK) program. The TK Program is a full-day blended program serving TK and Kindergarten SDC students. The Transitional Kindergarten/Kinder SDC class allows for a lower student teacher ratio providing students with differentiated and small group instruction. Our State Preschool Program consists of two teachers conducting 4 classes and serving a total of 89 students.

Our committed staff holds themselves responsible and accountable for the achievement of all the students in our school. Parents are offered learning opportunities as they participate in our school wide events alongside leadership opportunities such as ELAC, SSC, DLAC and PTA. We offer many workshops for parents to learn how to work with their children and make learning an enjoyable experience. We offer students a variety of opportunities to participate in classes/clubs before and after school. After school students may participate in Marathon Kids Running Club, REACH program, Art Classes, Writer's Guild, ALEKS math class, Linda Mood Bell class, Theater and the Boy Scouts. During school hours we offer a Response to Intervention (RtI) program to support our students academically and behaviorally. Our students know that Richman is a safe place that will prepare them to be life-long learners and be successful in their future endeavors.

Our school community is comprised of the Richman staff, parents, and the surrounding community which allows us to have an innovative approach for assisting our students in achieving their academic and social goals through meeting the Common Core State Standards. Without the committed parents and community, our goals could not be met. The Richman staff is also committed to improving student learning by analyzing data in order to plan for the current and future needs of our students.

Richman was recognized and received three prestigious awards: A California Gold Ribbon School Award, Title One Academic Achievement Award, and a Positive Behavior Intervention & Supports (PBIS) Silver Award winning school.

School Description and Mission Statement (School Year 2017-18)

Richman Elementary is a collaborative learning community that values the home-school partnership. We are a school community that empowers students to be creative, thoughtful citizens by promoting a highly engaging, relevant and rigorous learning environment that encourages critical thinking and creativity. We provide a strong foundation in literacy and communication skills by integrating the disciplines of science, technology, engineering, arts, and mathematics (STEAM), as parts of the education STEAM Pipeline.

Vision: Richman Elementary aims to provide all students with an excellent education so that they feel empowered to develop their potential, become lifelong learners and responsible citizens.

We are most fortunate that through partnerships and grants, we have been able to create two highly engaging and inspiring STEAM labs---our Reggio Inspired Primary STEAM Lab, for Transitional Kindergarten to 2nd grade; and our STEAM and Dream Center for Creativity and Innovation for 3rd thru 6th grade.

In addition to the STEAM Labs, our Programs Include:

- Full Day Kinder
- All the Arts Program K-6th
- LEAP Program
- RTI Lab
- LindaMood Bell Program
- Counselors on site
- Hockey After School Program
- SWISS/ SRSS
- PBIS Schoolwide
- I-Ready Program
- Healthy Kids Program/Harvest of the Month
- REACH Program

- Marathon Kids- Running Club
- Before school Soccer League
- ALEKS After school Math Program

School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment. Acacia Elementary School has 21 classrooms, a library media center, a computer lab and a multi-purpose room. The main campus was built in 1957. Additions were constructed in 1960 and 1965. Two portable classrooms were added in 1988 and two more were added in 1997 and another in 2013. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District has established cleaning standards for all schools in the district. A summary of these standards is available at the district maintenance office. The Maintenance and Operations staff works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and exterior painting, and floor systems. During 2016-17 the District spent \$435,136 on Deferred Maintenance. For the 2017-18 school year the District budgeted \$320,013 for Deferred Maintenance expenditures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Mathematics (grades 3-8 and 11)	37%	33%	50%	49%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

The foundation for student success is based on a partnership between students, staff, and parents. Active parent participation is very important. We ask all of our families to make the commitment to become involved in at least one activity or event during the school year.

We encourage parents to attend parent leadership meetings including: PTA, School Site Council, ELAC and DLAC. Parents are invited to attend Back to School Night, Open House, PTA meetings and Principal led Parent Coffees. Richman celebrates student achievement weekly at our Monday Morning Assembly and monthly at our Character Award Assembly. The entire school community is invited to celebrate with us. Families are invited to participate in annual events, such as: Richman Harvest Festival, Halloween Parade, Family Dance, STEAM Night, Reading Night, Loved Ones Day, Family Tech Night, and Family Movie Nights. We encourage parents to volunteer in the classroom and are committed to expanding the involvement of parents at school. In the 2017-18 school year we implemented Watch D.O.G.S. (Dads of Great Students) to increase the number of father figures on campus. In addition, through parent classes and workshops we seek to deepen the level of parent education and knowledge regarding school programs and priorities as a means to support their children to achieve at high levels. We encourage all interested parents to contact the school office for more information.

School Safety Plan (School Year 2017-18)

A comprehensive school safety plan was developed and approved prior to March 1, 2000 in compliance with Education Code Sections 33126, 35256, and 32286 as well as applicable District policies and regulations. Each year, prior to March 1, the school's safety plan is reviewed, updated and discussed with staff and School Site Council. Annually, the school's staff reports on the status of its safety plan with the school leadership team, PTA and School Site Council. Status reports and updates are reviewed at the beginning of each school year and again in December before the finished School Safety Plan is approved by the members of the School Site Council on March 1. The key elements of the plan include: a) providing a safe teaching and learning environment for all students and staff members, b) ensuring that all students are safe and secure while at school sponsored activities, c) making district programs and community resources available to students and parents, and d) creating a school where students, programs, and community members interact in an atmosphere of mutual respect that enhances the environment for learning. Each year the school submits along with the safety plan a detailed "action plan" which addresses the identified areas the staff and School Site Council has brought forward as critical areas of concern or how they should improve. A copy of the plan is available at all times in the school office and will provide a more detailed description of each element of the plan including specific actions, resources and time lines to be implemented by the school. Copies are also available at the District Office in the office of Child Welfare and Attendance.
