School Description

Box Springs is a neighborhood school serving students in grades K-5. Established in September 1987, we are entering our twenty-eighth full year at our permanent site.

At Box Springs, parents demonstrate a desire and willingness to support quality education both in classrooms and other areas leading to student growth.

District frameworks and texts provide a strong base for our instructional program. Box Springs School is granted supplementary resources for our English Learner Program, Title I, and LCFF funds. These resources supplement such areas as assemblies, staff development, computer technology, and enrichment materials. These programs assist teachers in maximizing the potential of each of our students.

Box Springs' primary goal is to provide high academic achievement for all students. The combined efforts of the staff, students, parents, and community members enable Box Springs to achieve the desired goal of creating lifelong learners.

Box Springs Goals:

- Provide high academic achievement for all students.
- Create lifelong learners.
- Increase skills and knowledge in all areas through an integrated approach.
- Improve students' self-concept and appreciation of other students.
- Provide supportive teaching strategies for our students with special needs.
- Provide experiences which foster creativity, individuality, innovative ideas, self-motivation, and the development of the individual talents and abilities of all students.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (951) 571-4530.

2013-14 Student Enrollment by Grade Level	
Grade Level	Number of Students
Kinder.	61
Gr. 1	63
Gr. 2	79
Gr. 3	76
Gr. 4	66
Gr. 5	69
Total	414

2013-14 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	20.8
American Indian or Alaska Native	0.7
Asian	1.4
Filipino	1.7
Hispanic or Latino	60.4
Native Hawaiian/Pacific Islander	0.0
White	12.3
Two or More Races	2.7
Socioeconomically Disadvantaged	87.2
English Learners	31.2
Students with Disabilities	9.2

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Box Springs Elementary School	12-13	13-14	14-15
Fully Credentialed	17	17	17
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0
Moreno Valley Unified School District	12-13	13-14	14-15
Fully Credentialed	♦	♦	
Without Full Credential	♦	♦

Teacher Misassignments and Vacant Teacher Positions at this School			
Box Springs Elementary School	12-13	13-14	14-15
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2013-14 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	93.75	6.25
Districtwide		
All Schools	82.47	17.53
High-Poverty Schools	82.47	17.53
Low-Poverty Schools	0.00	0.00

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

The District provides all students with high-quality textbooks and instructional resources. Instructional materials are reviewed and approved by State committees for local adoption in grades K-8; high school materials are reviewed and approved locally. All core instructional materials are reviewed by District level committees of teachers and administrators and approved by the Board of Education prior to use within MVUSD schools. This process is aligned with the State Department of Education’s seven-year review cycle. The State Board’s adoption cycle is:• 2004-05: Health• 2005-06: History-Social Science• 2006-07: Science and Visual & Performing Arts• 2007-08: Mathematics• 2008-09: Reading-Language ArtsThe District normally adopts new material within twenty-four months of adoption by the State Board of Education. As a result of state budget shortfalls, Assembly Bill X42 (Chapter 2, Statutes of 2009-10 Fourth Extraordinary Session) signed on July 28, 2009, suspended the process and procedures for adopting instructional materials, until the 2013-14 school year and allowed districts to postpone.Each school has a library to supplement and enrich the school’s instructional program.In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/28/2010 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below (0% lack textbooks and/or instructional materials in any of the listed areas). The chart below outlines the textbooks adopted and used by Moreno Valley Unified School District.

Textbooks and Instructional Materials	
Year and month in which data were collected: 10/11/13	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
<p>Reading/Language Arts</p> <p>The textbooks listed are from most recent adoption: Yes</p> <p>Percent of students lacking their own assigned textbook: 0%</p>	<p>Read 180 Stage A, Scholastic (Adopted in 2005)</p> <p>Legacy of Literacy & Lectura, Houghton Mifflin (Adopted in 2003)</p>
<p>Mathematics</p> <p>The textbooks listed are from most recent adoption: No</p> <p>Percent of students lacking their own assigned textbook: 0%</p>	<p>Mathematics & Matematicas, Houghton Mifflin (Adopted in 2002)</p> <p>Grades K-2 enVision Math (Spanish and English), Pearson Scott Foresman (Adopted in 2009)</p>

School Facility Conditions and Planned Improvements (Most Recent Year)

General:

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the District office, or on the Internet at www.mvUSD.k12.ca.us. Listed below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School Building:

This school has 25 classrooms, 22 permanent classes, three portables, a multipurpose room, a library, and an administration building. The main campus was built in 1989. The school opened in 1989.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and all emergency repairs are given the highest priority.

Cleaning Process and Schedule:

The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District's M & O office. The District Custodial Supervisor works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2008-09 school year, the District has budgeted \$1,280,000 for the Deferred Maintenance Program. This represents 0.44% of the District's general fund budget.

School Facility Good Repair Status (Most Recent Year)
 Year and month in which data were collected: 7/10/14

System Inspected	Repair Status				Repair Needed and Action Taken or Planned

	X				

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science	44	39	47	45	43	45	60	59	60

* Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STAR Results for All Students - Three-Year Comparison

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
ELA	42	44	41	42	46	45	54	56	55
Math	51	56	50	38	39	39	49	50	50
HSS				35	35	37	48	49	49

* STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Academic Performance Index Ranks - Three-Year Comparison

API Rank	2010-11	2011-12	2012-13
Statewide	3	4	3
Similar Schools	3	5	6

* For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

2013-14 Percent of Students Meeting Fitness Standards

Grade Level	2013-14 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	33.3	19.7	7.6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2013-14 CAASPP Results by Student Group

Group	Percent of Students Scoring at Proficient or Advanced	
	Science (grades 5, 8, and 10)	
All Students in the LEA	45	
All Student at the School	47	
Male	41	
Female	51	
Black or African American		
American Indian or Alaska Native		
Asian		
Filipino		
Hispanic or Latino	42	
Native Hawaiian/Pacific Islander		
White		
Two or More Races		
Socioeconomically Disadvantaged	47	
English Learners	35	
Students with Disabilities		
Students Receiving Migrant Education Services		

* CAASPP includes science assessments (CSTs, CMA, and CAPA) in grades 5, 8, and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

API Growth by Student Group – Three-Year Comparison

Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	-23	35	-21
Black or African American	-40	61	-29
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	-12	28	-22
Native Hawaiian/Pacific Islander			
White			
Two or More Races			
Socioeconomically Disadvantaged	-16	36	-21
English Learners	-2	-7	-13
Students with Disabilities			

* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Staff development is designed to support the implementation of the school's plan by promoting curriculum improvement training programs focusing primarily on grade level academic content standards, curriculum adoptions, instructional strategies, assessment (data analysis and content training), review processes [i.e., Program Quality Review, Focus on Learning/Western Association of Schools and Colleges (WASC)], school plan development, and needs of special students. Such programs focus on analysis of teaching and student learning, accountability strategies, and integration of technology into the District's curricula.

Our school also benefits from the various professional programs available to staff through District support. Some of these opportunities are:

- Teachers new to Moreno Valley are provided approximately 30 hours of staff development through the Beginning Teacher Support and Assessment (BTSA) Program and other District or County programs.
- Implementation of Professional Growth Plans by teachers who have earned Professional Clear Credentials provides an opportunity for 150 hours of professional growth during a five-year period.
- Local colleges and universities offer a wide variety of professional development coursework.

Through the use of coordinated funding from School Improvement and numerous grants, a Staff Development Program is provided for certificated, classified, and administrative staff. Staff development occurs during the school day, after the school day, and on weekends. Legislation provides for teachers to attend and be compensated for three staff development days which are held after school or on weekends.

For the most recent three-year period, we had three days each year dedicated to staff and professional development.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The comprehensive School Safety Plan includes, but is not necessarily limited to, assessing the current status of school crime committed on school campuses and at school related functions, identifying appropriate strategies and programs that will provide or maintain a high level of school safety, and addressing procedures for complying with existing laws related to school safety.

Fire drills are held at least twice a year at the secondary schools and once a month at the elementary schools. Disaster and earthquake drills are conducted as needed. The School Safety Plan also includes the MVUSD discipline policy, which describes the consequences for student misconduct (such as detention, Saturday School, suspension, and expulsion).

The School Safety Plan was last reviewed, updated, and discussed with school staff on September 25, 2014

Suspensions and Expulsions

School	11-12	12-13	13-14
Suspensions Rate	2.1	3.5	2.8
Expulsions Rate	0.0	0.0	0.0
District	11-12	12-13	13-14
Suspensions Rate	10.0	8.8	8.6
Expulsions Rate	0.0	0.1	0.1
State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2013-14 Adequate Yearly Progress Overall and by Criteria		
AYP Criteria	School	District
Made AYP Overall		
Met Participation Rate: English-Language Arts		
Met Participation Rate: Mathematics		
Met Percent Proficient: English-Language Arts		
Met Percent Proficient: Mathematics		
Met API Criteria

Types of Services Funded at Box Springs Elementary School

The average daily attendance (ADA) dollars provide services budgeted from the general fund including regular classroom instruction and support, special education, counseling, psychology, child welfare, and attendance and program assessment. Additional services funded as categorical programs include: Title I, and Title VI assistance to targeted populations, services for English Learners, Gifted and Talented Education (GATE), School Safety and Violence Prevention, and before- and after- school tutorial programs.

Professional Development provided for Teachers at Box Springs Elementary School

Professional development is designed to support the implementation of the school's plan by promoting curriculum improvement training programs focusing primarily on grade level academic content standards instructional strategies, assessment (data analysis and content training), review processes, individual school needs, and needs of special students. Such programs focus on analysis of teaching and student learning, accountability strategies, and integration of technology into the District's curricula. The Professional Development Specialists have also been trained in the Professional Learning Community model and are available for assistance with implementation on our campuses. Our schools also benefits from the various professional programs available to staff through District support. Some of these opportunities are:

- Teachers with preliminary credentials new to Moreno Valley are provided the opportunity to clear their credentials through the Induction Program coordinated by Professional Development and RCOE.
- Multilingual and Special Education trainings are all coordinated through Professional Development. CPR and Instructional Assistant trainings are also coordinated through Professional Development
- Participants may register electronically for professional development offerings.
- Local colleges and universities offer a wide variety of professional development coursework.

Teachers are compensated for attending professional development during their non-contract time. Substitutes are provided through various funding sources for trainings taking place during the school day. Professional Development works collaboratively with teacher-teams to develop Scope and Sequence manuals for teaching the Common Core State Standards. The department also facilitates teams for the creation of the new Interim Assessments. The Professional Development department is moving away from the traditional 'workshop' method of providing teacher training and is moving towards a coaching model where our twelve specialists spend a day at each school site collaborating with the staff and administration to analyze data and develop plans for increasing student achievement. Each specialist has had in-depth training on implementing the Common Core State Standards and with school staffs to implement the changes using a transformational model. Professional Development also plans and hosts the Leadership Academy for developing teacher leaders.
