School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Glen H. Dysinger School is located just north of La Palma Avenue in the city of Buena Park, California. The site, located in a well-kept residential area, is known as a “neighborhood school” and has served the community since 1957. The school’s current enrollment is approximately 483 students with 17 regular education classrooms in grades K- 6, and 2 Special Day Classes serving students in grades K-3 and 4-6. A total of 24 certificated staff and 19 classified staff provide a comprehensive instructional program and related support services. The Centralia School District provides centralized funding for textbooks, Special Education, and English learner programs. District funds employ a principal, an office manager, a part time health clerk, a full time speech teacher, a part time school psychologist, a full time special education resource teacher, a child development coordinator for child care, a day custodian, and a night custodian.

School Vision

In partnership with parents and the community, Dysinger is dedicated to producing responsible, self-confident, 21st Century learners who master concepts, skills, and positive character attributes through a comprehensive, technologically enhanced, CA CCSS-based curriculum.

Teachers and support staff at Dysinger Elementary believe that a strong academic focus, supported by a positive and caring learning environment, is essential to the success of our students. Students are provided a comprehensive curriculum in language arts, mathematics, history/social science, science, physical education, and health education. Dysinger's Innovation Lab provides an additional space to create a dynamic 21st Century learning environment for our students to apply concepts and skills in Science, Technology, Engineering, Arts, and Mathematics (S.T.E.A.M). Dysinger fosters a rich VPA environment with a weekly Enrichment Program for grades 4-6, including, but not limited to Dance Choreography, Chorus, Fine Arts, and Strings Instruments. All staff are highly qualified and are appropriately assigned. All teachers have CLAD certificates.

A strong emphasis is placed on providing a safe, clean environment for our students and staff. Equally important is the emphasis on developing strong positive character traits through the school wide Award winning Positive Behavior Interventions and Supports (PBIS) program, character education, and additional support from school personnel and programs including a schoolwide Second Step Social Skills program, and a small group Zones program for students providing daily/weekly positive reinforcements. Additional positive reinforcement is provided weekly for all students through Responsibility Recess and through our Fun Filled Friday program. Many specialized programs including English Learner (EL), Gifted and Talented Education (GATE), Speech and Language, Special Education, Afterschool Academic Academy Intervention Program, and the school Response to Intervention program provides extra support to students.

Mission Statement

Centralia School District is a leader in education. It is a positive, collaborative environment where new ideas are encouraged and innovative practices are fostered. Student success is our top priority and is valued by the entire community. In partnership with parents and the community, Dysinger Elementary School is dedicated to providing a challenging learning environment for all students, which will enable them to reach their maximum potential in becoming productive, contributing citizens for today and tomorrow. Staff members work collaboratively to provide students with a rigorous, CA CCSS-based curriculum and a safe place to learn. Creativity, communication, collaboration, and critical thinking are promoted in a nurturing environment of cooperative spirit, positive attitude, and mutual respect.

Recent accomplishments

Dysinger school has the honor of several of our outstanding employees having received Employees of the Year in recent years, including Classified Employees of the Year in 2012 and 2014. We also employ the 2015 and 2016 Centralia School District Teachers of the Year. The California PBIS Coalition honored Dysinger with the 2017 Silver Award for the implementation of PBIS with fidelity. Dysinger School has been selected as one of the 100 public schools in California to receive the title of 2013 and 2014 STEM (Science, Technology, Engineering and Math) and 2015 and 2016 California Business for Education Excellence Honor Roll School. Schools receiving this distinction from the California business community have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time and reduction in achievement gaps among student populations.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: December 2017

Sufficient state-adopted and standards-aligned textbooks and instructional materials are available for each pupil, including English learners. These are consistent with content and cycles of the curriculum frameworks adopted by the State Board of Education in the core curriculum areas.

Resolution Date: 08/11/15

In 2011, the Governor and State Legislature extended the suspension of State Board of Education (SBE) adoptions of instructional materials until the 2015–16 school year (Education Code Section 60200.7). At this time the State has adopted frameworks for English Language Arts/ English Language Development, and math which will assist in our implementation of California's Common Core State Standards. We are currently piloting State Board of Education adopted (January, 2014) instructional materials for math to reflect the rigor of the California's Common Core State Standards, teachers are developing curricula units, and various resources are provided as additional instructional materials. The State Board of Education adopted ELA/ELD instructional materials in November, 2015 and will direct our pilot.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	All students have access to current State Board of Education approved and CESD Board adopted textbooks for English Language Arts/ English Language Development. We use Benchmark Advance (2017) in grades K-6th. These textbooks are aligned to California state standards. Supplemental materials for intervention instruction are also available and include Leveled Literacy Intervention, Reading for Phonics, Read Naturally, Ticket to Read, Reading Mastery.	Yes	0%
Mathematics	All students have access to current State Board of Education approved and CESD Board adopted textbooks for math. Grade levels K-5 utilize McGraw Hill, My Math (2013/14) materials. Grade level 6 utilizes Glencoe, California Math, course 1 (2013/14) materials. These textbooks are aligned to California state standards. Supplemental materials for intervention instruction are also available and include St Math.	Yes	0%
Science	For all grades K-6th, Houghton Mifflin California Science, 2007 materials are used. These are supplemented with Foss, AIMS and STC science kits designed to each grade level, based on their alignment to State Science Standards.	Yes	0%

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
History-Social Science	All students have access to current State adopted and Board approved textbooks for History Social Studies. Harcourt Reflections for California (2007) materials are used in grades K-6th. In addition to textbooks, students use consumable homework and practice books.	Yes	0%
Health	Health instruction is incorporated into science and physical education programs. A separate text is not adopted in this curricular area.		N/A
Visual and Performing Arts	There is no specific textbook adopted for VPA, however, materials used are aligned to the standards and incorporated into ELA instruction, as well as, into history social studies and science instruction. The LCAP funds Strings Music Instruction (viola, violin, and cello) and Centralia School District's Education Foundation donated instruments.		N/A

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional. The Schools Facility Good Repair Checklist provides information about the condition of the school's grounds, buildings and restrooms. All inspected items were in good condition.

Age of School Buildings

Dysinger School was built in 1956 and is located on 11.05 acres. There are 26 classrooms, four small group instruction rooms, a Learning Center, a multipurpose room, a library/media center with a computer lab and an office complex.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A total of 256 work orders were processed and completed during the duration of the school year. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Cleaning Process and Schedule

In the evenings and during the day, a team of two custodians ensures classrooms; restrooms and campus grounds are kept clean and safe. As responsible members of the community, we take pride in our school environment by maintaining a clean, safe, and well-groomed campus.

Deferred Maintenance Budget

The district funds the School Deferred Maintenance Program, which funds expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, floor systems, and asphalt.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Students with Disabilities	31	30	96.77	26.67
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	31.6	19.7	9.2

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Glen H. Dysinger Elementary School welcomes and values parental involvement in District and school site programs and committees. Parent involvement promotes stellar educational opportunities for all students within an inspirational environment. Dysinger's parent engagement program enhances both instruction and special events. Many parents regularly volunteer on PTA, School Site Council (SSC), English Language Advisory Committee (ELAC), and in classrooms.

Parents are encouraged to become active participants in their children's education by joining PTA. Dysinger's PTA is very active and supports the school in a variety of ways. The Dysinger PTA supports student learning by funding assemblies, study trips, art and music programs, and book sales. PTA supports community events such as Harvest Carnival, Astronomy Night, Toys for Tots, and Family Nights. Opportunities for parent education and family involvement occur throughout the school year. Parent information meetings are conducted by the principal at SSC, ELAC, Back to School Night, and Open House. Principal attends PTA meetings. Parents participate in our strategic planning process in many ways, through their involvement in SSC, ELAC and DELAC advisory groups. These groups meet on a regular basis to share information, discuss school programs, evaluate performance data and provide input toward school-based decision making. The SSC/ELAC combined committee oversees the development and implementation of the school's School Plan for Student Achievement and holds the final approval for the Safe School Action Plan. The district GATE parent meetings inform parents of our Gifted and Talented program and assist parents in supporting their students' specialized learning needs. Parents are involved in the writing of their child's Individualized Gate Plan (IGP.) Award Assemblies are held every trimester to recognize student academic and behavior achievement, and parents are invited to attend. The use of our district and school websites, Facebook, Twitter, school marquee, weekly principal "School Messenger" phone calls, emails, and text messages, help keep parents informed of events at the school.

Parent involvement opportunities include, but not limited to:

- Back to School Night
- Open House
- Student Recognition Assemblies
- Student Performance Assemblies
- Parent Education Training and/or Workshops
- Field Trip Chaperone
- Classroom Volunteers
- PTA-Sponsored Activities
- Fall & Spring Academic Conferences
- Family Nights
- Book Fairs
- Student Success Team Meetings
- IEP Meetings
- 504 Meetings
- Parent Academic Meeting
- Fall School Carnival
- Holiday Gift Shop
- School Site Council
- English Language Committee
- District English Language Advisory Committee
- School Safety Committee
- Red Ribbon Week Activities
- Great Kindness Challenge Activities
- Daily Flag Ceremony
- Principal Coffee Chat
- School Messenger Calls, Texts, and emails with Weekly Update

A Neighborhood Resource Center (NRC) is supported by our district and is available to our families and provides information and resources for health insurance, clothing, food, transportation, counseling, and a variety of medical services. HERO program offers tutoring for students in the home at no charge. A district Social Worker is available on an as needed basis. Student Success Team (SST) monitors students who are struggling academically or behaviorally and involves parents in the intervention process. A Resource Specialist assists with observing, assessing, and monitoring students while working with teachers to provide classroom interventions that address their learning difficulties. Our part time school psychologist provides support and administer assessments to identify learning difficulties.

For additional information about opportunities for parent involvement at Dysinger Elementary, please contact PTA president Veronica Romo or Principal Shawn Stuht at (714) 228-3240 or visit the school website at dy.cesd.k12.ca.us

School Safety Plan (School Year 2017-18)

Safety of students and staff is a primary concern of Glen H. Dysinger Elementary School. Dysinger's Safe School Action Plan was developed by the School Safety Committee and with input from the School Site Council. The safety plan is reviewed and revised annually by all groups. New goals and tasks are added as necessary. The 2017-2018 goals of our Safe School Action Plan include the following goals:

Component One: People and Programs

Goal #1: Glen H. Dysinger School's climate shall reflect respect, tolerance and pride for diversity of culture, ethnicity, and philosophy. It is a place where students demonstrate strong academic progress, follow school rules, and develop responsibility for their learning and respect for themselves and their school.

1. 100% of students will follow school rules.
2. Provide increased opportunities for students to become actively involved in their school and increase students' sense of connectedness.

Goal #2: Glen H. Dysinger's climate shall provide an emotionally secure learning environment for all students.

1. 100% of the classrooms at Glen H. Dysinger School are emotionally safe for students.
2. The playground is an emotionally safe place for 100% of the students.
3. Dysinger staff will participate in on-going training to effectively address the needs of our site in case of emergency/crises.

Component Two: Physical Environment

Goal #1: Glen H. Dysinger School provides a secure campus with careful monitoring and supervision of all areas to ensure student safety and adherence to rules.

1. 100% of non-staff persons on campus are easily identifiable as authorized to be on campus.
2. To ensure that the playground is a physically safe place for all students.
3. Maintain clean and safe bathrooms.
4. Provide safe parking lot procedures for efficient student drop off and pick up.

Goal #2: Glen H. Dysinger School provides for the safety of all students and staff through a well planned and implemented crisis response plan.

1. To train staff, students, and inform parents of crises response procedures with 100% of the staff clear on all emergency response procedures, practices, and responsibilities.
2. Ensure that the school has all necessary supplies in the event of an emergency.

Centralia School District has developed a Disaster Plan for emergencies. Staff members are in-serviced and assigned responsibilities for plan implementation. The school and District participate in the annual California Shake Out earthquake drill each October. Fire evacuation drills are held monthly, along with bi-monthly lockdown and earthquake drills. The school maintains a Safety Committee and it meets minimally four times a year to review safety issues, plan staff development and makes recommendations for improvement.

The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Annually, the school evaluates and updates the plan. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year.

Dysinger School believes that to ensure a positive learning experience requires a safe and orderly environment. Toward this end, we have established and Award winning school-wide Positive Behavior and Intervention Support (PBIS) Pprogram which communicates high expectations for student behavior. Each student receives training on behavior expectations in the classroom, at Flag Ceremony, during a schoolwide Implementation Day, and in school assemblies lead by the principal. Dysinger students are expected to embrace the F.I.R.E. attributes (Focused on safety, acting with Integrity, being Respectful and Responsible, and being Engaged learners) Teachers teach, monitor, enforce and exhibit positive attributes throughout the year. The school follows all District Board Policies including those pertaining to Safety, Suspension, Expulsion and Mandatory Expulsion and Sexual Harassment.

Date of Last Review/Update: December2017

Date Last Reviewed with Staff: December2017

The Centralia School District's Board of Trustees reviews the Safe School Action Plan annually by March 1.
