Dear Mountain View Middle School Families,

Our district values your feedback! We are currently surveying MVUSD families in order to gain insight into your perception of our school and district effectiveness. To ensure we continue to provide high quality, rigorous learning experiences that meet the needs of our learners and prepare them for college and career, we need your feedback. We want to know what you think.

We have partnered with Panorama Education to conduct our 2018 Annual Climate and Satisfaction Survey. Panorama safeguards your privacy, keeping your responses confidential.

The survey shouldn't take more than a few minutes to complete and will be an invaluable source of information for us as we work to make our schools and district as good as they can be.

You may complete the attached paper survey and return it with your student once completed. Or, you may complete the survey online by visiting the website:
