

# **Parker Unified School District**

---

## **Staff Development Goals**

**2018-2019**

- 1) Staff will understand and apply state standards in content areas while using tools to analyze and disaggregate assessment data to identify instructional priorities.**
  
- 2) Staff will collaborate to promote professional dialogue on best instructional practices in order to build a professional community.**
  
- 3) Staff will learn and use research based instructional strategies to build a repertoire of best instructional practices in order to meet the needs of all learners.**
  
- 4) Staff will learn and use effective classroom techniques and parent involvement strategies to provide a positive learning environment.**
