

Union Elementary Dads Club Fall Campout for 2010 – A big success!

And it all starts with the food!

We're not too sure if our Dads are the greatest cooks . . .

. . . but we are sure they can organize a SMORES line like nobody's business!

“Now this shows you how hot dogs are supposed to be grilled.”

It was a beautiful day for a campout and a great night for watching Looney Tunes!

[The kids determined the sidewalk was a better place to sit than on the grass.]
