

Mileage Allowance in Lieu of Transportation for Students
Claim Form
DUE JUNE 15

Student or Students (grades K-8 only): _____

Parent or Guardian: _____

Residence Address: _____

Mailing Address (if different than above): _____

I request that the Mobridge-Pollock School District calculate a mileage allowance for the above noted student or students based on the school's attendance records. Any exceptions will be noted below.

Signature of Parent or Guardian

Exceptions:

Pursuant to South Dakota Codified Law, elementary and middle school students who do not have access to bus service furnished by the school district to which they are assigned, are entitled to a transportation allowance if the student's residence is more than five miles from their school or transportation route.

The rate of .37 per mile will be paid for distances in excess of five miles each way. Mileage will be calculated for the shortest distance measured on a publicly used road from the dwelling house of the child to the school site or transportation route.

All claims for transportation allowance shall be filed with the school business office not later than the close of the school fiscal year in which the travel for which reimbursement is sought actually occurred.
