August 6, 2018

Dear Parents and Students,

Welcome to the 2018-2019 school year at RJ Fisher Middle School. Fisher has a reputation as one of the best middle schools in the state of California. Our goal is to create an environment that nurtures rigor, relevance, and relationships in the classroom as well as campus wide. The staff at Fisher is excited to work with your students and help them compete in an exciting, always changing global society that demands that they have the skills necessary to be successful in whatever they choose to pursue. At Fisher, students will have an opportunity to get involved and participate in a plethora of clubs, athletics, visual and performing arts, and leadership, in addition to our robust and rigorous course offerings. Take advantage of this and get involved this year!

Our Fisher team will be working diligently all year to develop and implement student-centered support systems to maximize student-learning outcomes. We are excited to share all of the things we are working on during **Back to School Night** on Thursday, August 30, 2018. **Save the date!**

Our **Welcome Packet** will continue to be managed electronically. To access this information, please visit our school website at www.rjfisher.lgusd.org where you will find a wealth of critical information to review. Please reference each of the **School Document** links to view helpful resources, including bell schedules, calendars, and such.

You should have received your registration update e-mail from the district. If you did not receive this particular e-mail by August 1st, please contact the Fisher office at 335-2300, as we want to be sure that we have accurate information on file for all families.

Our Home and School Club will be hosting a **Welcome Coffee** and **Principal's Chat** on Thursday, August 23rd at 8:30 a.m. in our Fisher MPR. I sincerely hope that you'll plan to stop by to learn more about how you can both support and connect with our Fisher parent community.

I am incredibly excited for my first year in this amazing community and look forward to meeting all of you.

Sincerely,

Matt Baldwin-Principal
