John R. Peterson Elementary

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available at the California Department of Education (CDE) Web site at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office. DataQuest, an online data tool at <http://data1.cde.ca.gov/dataquest/>, contains additional information about this school and comparisons of the school to the district, the county, and the state.

School Safety Plan

This section provides information about the school's comprehensive safety plan.

The school's safety plan is a comprehensive document that outlines the school's commitment to providing a safe and secure learning environment for all students. The plan includes a variety of strategies and procedures designed to prevent and respond to a wide range of safety threats, including violence, terrorism, and natural disasters. The school's safety plan is reviewed and updated annually to ensure that it remains current and effective.

V. Support Staff

Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

VIII. Student Performance

California Standards Tests

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 9, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

CST Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

Norm-Referenced Test

The norm-referenced test (NRT), currently the California Achievement Test, Sixth Edition (CAT/6), shows how well students are doing compared to students nationally in reading, language, spelling, and mathematics in grades 3 and 7 only. The results are reported as the percent of tested students scoring at or above the national average (the 50th percentile). Detailed information regarding NRT results for each grade level can be found at the CDE Web site at <http://star.cde.ca.gov/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found at the CDE Web site at <http://www.cde.ca.gov/ta/tg/pf/>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

IX. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

API Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2004	2005	2006
Statewide	9	9	9
Similar Schools	8	1	1

API Changes by Student Group – Three-Year Comparison

This table displays by student group the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Group	Actual API Change			API Score
	2004-05	2005-06	2006-07	2007
All Students	0	24	2	888
Hispanic or Latino	-3	--	--	763
White (Not Hispanic)	-3	25	-2	904
Economically Disadvantaged	1	13	7	747

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

"All students in the state will meet or exceed the state standards for each grade level in reading, mathematics, science, and history/social studies by the year 2014."
 "All students in the state will meet or exceed the state standards for each grade level in reading, mathematics, science, and history/social studies by the year 2014."
 "All students in the state will meet or exceed the state standards for each grade level in reading, mathematics, science, and history/social studies by the year 2014."
 "All students in the state will meet or exceed the state standards for each grade level in reading, mathematics, science, and history/social studies by the year 2014."

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	Yes	Yes
Participation Rate - English-Language Arts	Yes	Yes
Participation Rate - Mathematics	Yes	Yes
Percent Proficient - English-Language Arts	Yes	Yes
Percent Proficient - Mathematics	Yes	Yes

Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.
