

NFHS Concussion Course for Students

Athletes when you open the link to the NFHS Website, you will be instructed to select your state and then order your course.

There is no cost for taking the course, but you will still be expected to create an account. We advise that you use your CCPS email address when registering.

The registration process takes a few minutes as it asks for various pieces of information and then the course itself takes about 45 minutes to complete. You can access the course via the link listed below.
