**Letter from the Principal
Dr. Shaw**

Welcome to Hemet High School, Home of the Bulldog! Our goal is to provide every student at Hemet High the skills and resources necessary for success in his/her college or career pursuits. Hemet High's rigorous curriculum is the foundation that will prepare all of our students for future endeavors. To do this we offer a variety of academic programs: Advancement Via Individual Determination (AVID), Career Pathways (CTE), Advanced Placement (AP), after-school tutoring, APEX (Credit recovery), along with support classes that are all designed to meet the needs of targeted learners. It is essential that every learner's needs are met

When addressing the needs of every learner, we must provide effective and appropriate support. Our administrators, counseling staff, Career Center personnel, teachers and classified staff are here to meet your needs and support you in your efforts.

In addition to academics, we offer a wide variety of extracurricular programs, including music, theater, athletics and various clubs, as well as academic teams such as Academic Decathlon and Mock trial. Students – get involved in our school! This will look good on your college application and resumes as well as make you a more well-rounded individual with a wealth of experience. Being connected to school makes it more likely that you will care about your education now and in the future.

Hemet High provides timely feedback to parents and students utilizing the Aeries Portal. Parents can also communication with their child's teacher via email. I would like students and parents to take advantage of these opportunities so that everyone is well informed regarding grades and attendance.

In an effort to provide a safe learning environment, the administrators, in conjunction with the Hemet Unified School District, and in accordance with State of California Education Code, Have assembled this Student Handbook. The rules and regulations in this booklet are in effect and govern the behavior of students while on school grounds during school hours, at school sponsored functions or while being transported to or from school activities. Please take some time to read this valuable information and familiarize yourself and your child with the information. Additional information can be found and is regularly updated on our website at hemethigh.com.

Again, welcome to Hemet High School. I look forward to meeting and working with you and your children!

Sincerely,

A handwritten signature in blue ink, appearing to read "E. Shaw". The signature is written in a cursive style and is positioned over a faint, light-colored background that looks like a watermark or a textured paper.

The Hemet High School Staff would like to welcome you to the 2016-17 School Year. We hope that you, as a freshman, sophomore, junior or senior, will find the next nine months to be relevant, productive and enjoyable.

The staff is here to assist you as you engage in academic studies, school activities, and athletic pursuits. During your school participation you will undoubtedly encounter obstacles from time to time which seem to interfere with your progress. During these times, staff, as well as students, will be here to support, listen, and encourage you. When you have a question/problem, be sure to ask a staff member for help.

In any large organization (this year we will have more than 2,400 people on campus) certain “ways of doing things” are established to help people accomplish their work, and so it is here at Hemet High.

Be sure to read this material at least **ONCE!** It will familiarize you with your responsibilities as a student at Hemet High. Much of it can be summarized in these three rules:

1. **Attend class every day.**
2. **Do your work.**
3. **Be courteous and considerate of others.**

Certain “routines” have been developed so that students, parents, and staff will know ahead of time how needs / events will be handled. Hopefully, this predictability of mechanical matters will free us all to work enthusiastically in our various areas of learning.

Governing Board Educational Philosophy

In order to provide a comprehensive and appropriate education for the children of the District, the Governing Board has identified the following philosophical statements as the basis for educational programs of the Hemet Unified School District.

The Hemet Unified School District believes:

That the acquisition of basic skills by all students is a necessity and can be achieved by establishing stringent academic standards encouraged by high expectations of all students;
That it is important to foster an atmosphere that encourages patriotism and an understanding of the ideals of the American democratic system;

That high standards of discipline, requiring appropriate behavior by all students, are a necessary element of the education process;

That required homework is an integral part of education that extends the educational process into the home supporting the home / school / community relationship;

That sound personal health habits and standards are a significant part of the learning process;

That high standards of personal character, honor, and ideals must be fostered in the schools;

That strong support of the instructional program in each classroom is the primary function of all employees of the Hemet Unified School District;

That consistent student daily attendance and participation in classroom activities is a requirement in obtaining a viable education;

That education is a cooperative effort of the parent and the school that requires demonstrated responsibility and support on the part of the parent.

Be thankful for each new challenge because it will build your strength and character.

Teachers are asked to update student/class information on the school's website on a weekly basis. Returning students and their parents may continue to use the access accounts and passwords set up last year. Students new to Hemet High School, and their parents, will be sent activation codes with which to set up their accounts.

Faculty and staff email addresses can be found on the website by clicking on School Information, Faculty & Staff, and Email Staff.

Tutoring

Tutoring information is available in the counseling office.

Counseling Services

Counseling appointments can be made by filling out a request slip in the Counseling Office. However, in case of an immediate need or emergency, students should feel free to walk in and ask the Counseling Secretary for the attention of a counselor or psychologist. Counselors may call students to their office periodically throughout the year for various reasons.

The Counseling Office and Career Center offer educational and career planning services. Counselors provide orientation in the Spring to tentatively plan courses for the following year. Courses are selected with the student's post high school goals in mind.

Career Center

The Career Center is an important part of the counseling program, as it offers a wealth of information and services related to career paths, educational opportunities, and financial aid. Students can take advantage of interest and aptitude testing, vocational school and college catalogs, and EUREKA, a computerized career information system. The Career Center also offers a wide variety of other computer software to assist with career planning, college and vocational school selection, decision making, test preparation, and financial aid search. Speakers from various career areas, colleges, trade and technical schools, and all branches of the military are scheduled throughout the year, and are available to all students. Field trips to career and college fairs and college campuses are made available to students whenever possible.

Tips For Success In School

- Preview your textbooks. Find out what information the teacher will be covering class, and take a look at the appropriate chapter the night before. This will give you a feel for the material and the confidence to join in class discussions.
- Review your notes. Take five or ten minutes each day to re-read the notes you took in each class. This will help you retain the information in your long-term memory a big bonus for class participation and a great alternative to last minute cramming for exams.

- Complete your assignments. Try to finish all your homework, including reading assignments, each day. For written work, remember to follow your teacher's requirements, using the proper notebook, paper, headings, etc.

Stay organized. Label your books and notebooks clearly, and store them in the same place each night so they're easy to find when you head to class in the morning.

- Go to the head of the class. Whenever possible, find a seat in the front of the room. You'll see the board better and you won't miss hearing any of the lectures.
- Take good notes. Listen carefully. Pick out the most important points the teacher makes and the details that will help you remember them.
- Speak up. If there's something you don't understand, raise your hand and ask for an explanation. If you don't understand a point, it's likely others in the class are also confused.
- Get involved. Part of your science grade is probably determined by lab sessions, so fire up the Bunsen burner and get to work. If you're writing a group report, don't let the rest of the group carry the load. By getting involved, you'll learn more and have more fun.

Parents and students will be able to check the progress toward graduation by using the grad check printout.

Progress Reports

Progress Reports are issued to explain the status of the pupils' work, Tardies and absences may also be reported on Progress Reports. They may indicate satisfactory or unsatisfactory performance and also serve as a warning when a student is not working up to his/her capacity. Reports are issued the 7th and 13th week of each semester, but they may be sent any time during the year as needed.

Grade Changes

Teachers may submit a grade change to the registrar to correct a grade. All grade changes must be submitted within the first 2-week grading period of the subsequent triad and must be approved by the principal.

Transcripts

2. Transcripts must be submitted to the Hemet High School records secretary before the end of the next semester after completion of the college course. All grades on transcripts will be posted.
3. All courses posted to a transcript are final and cannot be removed at a later date.

Student Schedule Changes

Education Code 49066: When grades are given for any course of instruction taught in a school district, the grade given to each pupil shall be the grade determined by the teacher of the course and the determination of the pupil's grade by the teacher, in the absence of clerical or mechanical mistake, fraud, bad faith, or incompetency, shall be final.

Advanced Placement Course Grades

Grades in Advanced Placement courses may not be changed as a result of Advanced Placement test scores. The grade received in the class reflects the course requirements. The Advanced Placement test score speaks for itself and awards college credit.

Because of the more rigorous nature of Advanced Placement, students receiving a grade of A, B, or C in those courses shall receive extra grade weighting as follows:

- A** –Outstanding Achievement 5.0 grade points
- B** –Above Average Achievement 4.0 grade points
- C** –Average Achievement 3.0 grade point

1. At the beginning of each semester a student, parent or teacher may request a change of schedule during weeks 1 on a space available basis. During this time we will consider these requests, on a case by case basis except for purposes of changing lunch.

2. During the 2nd – 5th week of a semester a counselor will hold a parent/teacher/counselor meeting if there is a question regarding appropriateness of a class.

3. Following week number 5 and after a counselor/parent/teacher conference having taken place as designated in step 2, changes will be made only with administrative approval until the end of the 1st triad grading period of the semester. By the end of 2nd triad, no changes will be made.

4. If a class is dropped after the 1st triad grading period, a grade of "drop with F" will be posted to the transcript as the semester grade. A student will be assigned to OCR for the remainder of the semester after the 2nd grading period.

5. A parent/teacher/counselor meeting is always appropriate throughout the semester to monitor progress or discuss concerns.

6. Administration may make changes as an exception to the above policy.

This policy applies to all programs both regular education and Special Education. Students may change levels of placement if counselor/parent/teacher approves and space is available, on a case by case basis.

Any change that is a result of a student/teacher conflict should be precluded by a parent/teacher/ counselor conference. Administration is available for assistance during conferences as needed.

All upcoming events, workshops, and deadlines are always advertised in the daily bulletin, and it is the **student's responsibility** to keep up on this important information.

PSAT/NMSQT - For Sophomores and Juniors (Preliminary Scholastic Aptitude Test/National Merit Qualifying Test) - Used by you and your counselor to determine future academic routes, it can also be useful in predicting future placement on College Boards. The test covers English and Mathematics. See the Counseling Office for information and test date.

Mt. San Jacinto Dual Enrollment Program

Dual enrollment courses are offered on the Hemet High School campus. Fast-paced rigorous courses; a one semester dual enrollment course is equivalent to a year-long high school class. An additional option to Advanced Placement (AP) classes; grades in dual enrollment classes are weighted and receive honors points (up to eight semesters) for UC/CSU admission. No tuition costs for California residents. No AP test fees/guaranteed college credit for dual enrollment courses completed with a C or better. For program requirements and/or more information please contact your counselor or visit the career center.

Associated Student Body

The Associated Student Body (ASB) is the student organization at Hemet High School. Monies raised by ASB help to support a free school newspaper, speech club, drama and music activities, as well as sports programs. Dances, homecoming events, assemblies, and various contests are also made possible by the ASB.

The ASB office handles activities for and provides services to students during the school year. It sells ASB cards, shop cards, and tickets to school dances, sports, and the prom. The ASB Office receives and distributes dance pictures, graduation announcements, forms to order school rings, and almost any other item or service involving student activities. The office is open to students before school, between classes, at lunch, and after school.

A strong ASB means more activities and better funding for existing activities.

ASB membership costs \$35.00 if purchased during registration in August; the cost increases to \$40.00 thereafter. Your ASB card allows you to attend all home athletic events free (with the exception of CIF games). You're also entitled to discounts when you attend dances, performances, contests, and the prom. You can easily save \$100.00 with your ASB card. There is a \$10.00 replacement charge for lost ASB cards, and a \$5.00 replacement charge for lost ID cards without ASB membership.

ASB benefits all the students of the school. Be a part of ASB and take advantage of the privileges it provides. ASB cards can be purchased throughout the school year in the ASB office.

Clubs, Organizations, and Activities

Our goal is for all students to excel in the classroom and for all students to be involved in a co-curricular activity. Educational research shows that students who are involved in some type of school activity achieve at a higher level academically than those students not involved in co-curricular activities. There are many different avenues available for you to become involved in the "Bulldog Family."

The Hemet High Bulldog Athletic tradition is one of which we can all be proud. Bulldog Athletics emphasizes a keen, competitive edge within the parameters of fair play and good sportsmanship. Participants in athletics gain the satisfaction of contributing to a group, by often times sacrificing individual gain for the advancement of the team.

Athletics at Hemet High School develops individual and team skills. Just as important as physical skill development is the character building processes that athlete's progress through. Athletes must be good citizens and conscientious students to become and remain members of Bulldog interscholastic teams. Bulldog Athletes learn to be gracious in defeat and humble while winning. First and foremost, above all else, Hemet High Athletes will display conduct and behavior that will mark them as ladies and gentlemen.

All student athletes are subject to Hemet High school discipline policies at all athletic events.

Athletic Eligibility

Athletic eligibility is regulated by the California Interscholastic Federation and the Hemet Unified School District Board of Education in addition to Hemet High Standards.

1. An athlete must be currently enrolled in at least 20 semester units of work at Hemet High School.
2. An athlete must have passed in at least 20 semester units of work at the completion of the last regular grading period with at least a 2.0 cumulative GPA. All incoming 9th grade students are eligible until 1st triad grades are posted, at which time they must maintain a 2.0.
3. An athlete whose 19th birthday is prior to June 15 is ineligible.
4. CIF has more specific rules concerning residency and foreign exchange students. Transfer students need to fill out a residency card to determine eligibility and submit appropriate CIF forms.

Forms

Every athlete must have a valid parent consent to treat form, physical form, and proper insurance on file with the athletic director before participating in any sport. Physicals and Meyers Stevens Insurance will now expire at the end of every school year. ** All athletes should get their physical and insurance at the start of each school year.

Injuries

If an athlete is injured, he/she should tell the coach immediately. Coaches will attempt to contact parents as soon as possible in cases of serious injury. It is the intent of Hemet High to provide emergency evaluation and emergency care to injuries incurred during school sponsored sports activities. All athletes that play a varsity sport must purchase an ASB card in order to receive any "letter," all league, championship, or any other type patch/trophy or award supplied by ASB funds. If no ASB card, only letter certificates will be given for "letter" recognition.

Athletic Credit for PE

Any athlete in grades 10-12 participating on a JV or Varsity level sport at Hemet High School may receive 5 credits of physical education credit towards graduation upon the successful completion of that sport's season. The most credits an athlete can earn during a school year is 10, regardless of the number of sports he/she participates in. The PE or elective credits will be for a letter grade A-F.

Athletic/Activity Substance Abuse Code

The Athletic Substance Abuse Code is a training policy that is meant to be in effect at all times during a season (weekends included). By comparison, administrative action, including Governing Board policy, is in effect while student athletes are going to school, during school, leaving school and at all school related activities. Any administrative actions may supersede athletic penalties.

Rules

During the school year and the season of practice, play, or rehearsal, regardless of the quantity, a student shall not:

- 1) Use or possess tobacco in any form.
- 2) Use or possess alcohol or any controlled substance.
- 3) Use or possess any form of steroid not prescribed by a physician.

4) Sell or furnish any alcoholic beverage or controlled substance. (Penalties for this rule will be subject to Administrative Action based on board policy.) It is not a violation to be in possession of a legally defined drug specifically prescribed for the student's own use by a physician if the student has been given permission to have it in his/her possession by the health office.

Penalties

These penalties are the athletic/activity department code; any administrative action based on Board policy takes precedence over the athletic/activity policy.

I. Use or possession of tobacco

- A. First Violation - after confirmation of the first violation, the student shall lose eligibility for one week or one event (whichever is greater).
- B. Second Violation – after confirmation of the second violation, the student shall lose eligibility for three weeks or three events (whichever is greater).
- C. Third Violation - after confirmation of the third violation, the student shall be removed from the team for the remainder of the season.
- D. Fourth Violation - Student shall be removed from athletic/co-curricular activities for the remainder of the school year.

II. Possession or under the influence of alcohol or controlled substances.

A. First Violation

1. After confirmation of the first violation, the student shall lose eligibility for the next two consecutive interscholastic events or two weeks (whichever is greater) of the season in which the student is a participant. Athletes may continue to practice (at the discretion of the coach) but cannot participate in any games.
2. Mandatory evaluation by Eligibility Review Board.
3. Student must comply with the Eligibility Review Board recommendation(s).

B. Second Violation

1. After confirmation of the second violation, the student shall lose eligibility for the next consecutive six weeks or six interscholastic events (whichever is greater).

2. Referral to the Eligibility Review Board.
3. Student must comply with the Eligibility Review Board recommendation.

C. Third Violation

1. Removal from athletic/co-curricular activities for a period of one full year from the date of infraction.
2. Non-senior students will be referred to the Eligibility Review Board and must comply with their recommendations in order to be eligible the following year.

The penalties shall be accumulative beginning with and throughout a student's freshman through senior year. If a student has fulfilled all requirements for violations and has had no violations for a period of six months, a violation may be removed from his/her record. A violation may be taken off record for each six months in compliance.

III. Appeal Process

Athletes may appeal the substance abuse penalties. A written request must be given to the athletic director; the Eligibility Review Board will review the request.

The Eligibility Review Board consists of:

1. School administrator
2. Athletic director or activities director
3. Coach
4. Counselor
5. Others as determined by the Principal

Textbooks are checked out in the Library and must be returned on time so that we can accommodate the needs of all students each semester. The use of cloth or paper book covers is encouraged; adhesive book covers are not allowed.

Regular library books are checked out for two weeks, reserve books for one week, and reference overnight only. All books must be returned or renewed on time. One renewal is allowed at the due date.

Overdues and Fines

Students will be notified in their English class of overdues and fines at the end of each grading period. A letter will be sent home periodically listing the outstanding items.

At the end of the school year, seniors must clear all books, calculators and fines to complete their final check-out process. In August, returning students with overdue materials or fines may be delayed at registration. No off campus lunch pass will be issued until all items from previous school years are cleared. This includes items from other Hemet USD schools.

A limited number of computers are available in the Library for student use. The rules for computer use are:

1. Students must sign in and leave their ID card at the Circulation Desk.

Academic Honesty

Honesty is valued at Hemet High School. Our school has a fundamental obligation to promote, model, and

otherwise educate students about the importance of this basic character value.

Administrators, faculty, staff and students should practice and emphasize integrity and ethical conduct in all relationships and situations.

Cheating of any kind while completing course requirements (e.g., taking examinations, completing term papers/projects/assignments) is a personal violation of the high standard of behavior we strive to maintain.

The intent of this policy is to support the school's efforts to encourage honesty and ethical conduct throughout the campus.

K.I.D.S., INC., Kontraband Interdiction and Detection Services, Inc.

Using canines to discourage contraband on school campuses is becoming a popular component of a school safety program, and Hemet Unified periodically uses these services.

The canines are trained to detect illegal drugs, drinking alcohol and pyrotechnic odors by sniffing the air around personal property, lockers, and vehicles.

Hemet High School wants to provide your student with a safe school environment. Canines on campus have been successful in deterring students from bringing prohibited items onto school campuses.

In addition to classroom-based curriculum on tobacco education, our school is now offering a more intensive student support group providing information on the short and long-term consequences of tobacco use. This provides a supportive environment and structured program for students who are interested in learning more about the effects of tobacco and/or stopping their tobacco use. Parent permission is required to enroll.

Also available are group counseling sessions where students discuss their behavior and its consequences. Student support groups also require parent permission.

All student support groups are available as funding allows.

Tobacco

The Hemet Unified School District is a tobacco-free district. The use of any tobacco products is prohibited at all times on district property and in district vehicles. Information on smoking cessation classes is available from the Office of Child Welfare and Attendance at (951) 765-5100.

Students are not permitted to possess or use tobacco from the time they leave home until the time they return to their house. Violations may result in suspension from school.

First Offense=Mandatory tobacco cessation class(Teen Intervene)

Second Offense=Two day suspension from school.

Visitors

Visitors on Campus Not Allowed

To provide our students and staff with a safe school environment, Hemet High School does NOT permit students to bring visitors with them to school. All visitors take the risk of being charged with trespassing (Penal Code 626.8) and removed from school grounds. Permission will not be granted for "guests" to attend classes. Visitors will be required to leave campus.

Parents/Guardians wanting to attend classes with their student must give administration and teachers a minimum of 24 hour notice.

Visitors needing to conduct business on campus are required to sign-in at the main office, as well as show valid state identification.

Attendance Policy and Procedures

RESPONSIBILITIES FOR ATTENDANCE

(Education Code 48200) Parents are responsible for the punctual and regular attendance of their children. Illness, death or funeral in the immediate family, and medical/dental appointments and required court appearances are the only excused reasons for absence.

Students are allowed ONLY six (6) excused tardies per semester. After six (6), the student will be sent to OCR every time they are tardy, even if it is excused. Students need to be in class on time in order to learn and be successful. It is recommended that dental and medical appointments be scheduled after school hours, except for emergencies. Because of the need to interpret California school attendance laws, the school determines whether the absence was excused or not. Excessive tardies and/or unexcused absences may lead to loss of credits, removal from class, or placement in an alternative program.

In determining school funding, the state of California Does not differentiate between excused or unexcused absences. Funding comes only when a student is present.

ATTENDANCE POLICY FOR THE 2015-2016 SCHOOL YEAR

Hemet High believes that excessive absences from unexcused absences above 10 (ten) are considered excessive. Attendance is recorded on a period by period basis. Any student who is absent (unexcused) for more than 10 (ten) times from a class per semester may receive a failing grade and maybe dropped from the course with a loss of credit.

Attendance Information

Business and industry leaders regularly report that their major problems are related to employee absenteeism and lack of work ethic. Not surprisingly, we find a similar lack of motivation with too many students. This "off track" minority then occupies valuable employee time in keeping track of excessive absences, in attempting to "catch pupils up," and, in general, diverting our efforts from the students who are attempting to obtain an excellent education.

Regular and punctual attendance is a prerequisite for appropriate student academic achievement. Conversely, excessive absences have a detrimental consequence both for the individual and the total school program and

should be avoided if at all possible. Consistent unauthorized class cuts, after parent involvement and due process, will result in students being dropped from the class with an "F" grade.

ATTENDANCE LAWS

According to state laws, students must attend school until age 18 unless they graduate sooner or pass the California High School Proficiency Exam (CHSPE). Parents are held responsible for the regular and punctual attendance of their children. Illness, medical or dental appointments, school activities, and required court appearances are the only legally acceptable reasons for absence.

STATE LAW: Uncleared or truant all day absences may not be cleared after 28 days or four (4) calendar weeks, including holidays. Truancy citation and/or on-campus retention may be assigned.

It is the intent of this policy to target students who have developed the habit of poor school attendance and to encourage them to place a higher priority on their current educational opportunity. The faculty, staff and administration at Hemet High believe this procedure will be a strong step forward in ensuring a more purposeful, productive school environment. Help us to help your student.

WHEN YOU ARE ABSENT

Your parent(s) should call **765-5150, Ext 2027 or 2028 between the hours of 7:00 a.m. and 3:30 p.m. daily, or leave a message after hours.**

Be prepared with your name, student's first and last name (spelling on last name is helpful), grade, reason for absence, and date of absence.

All absences should be cleared by a parent phone call the first day of absence.

By law an absence cannot be changed from a truancy after 20 days. Please help your student and us by "clearing" any absence as soon as possible following the absence

Ten-Ten Rule

The 10/10 Rule requires all students to be in class the first 10 minutes of every class and the concluding 10 minutes of class (barring medical emergency). This ensures the safety and security of the campus as well as promotes maximum use of instructional time for students. Students are given ample time between classes to use the bathroom facilities. Students who have special circumstances will be permitted to handle their duties through the nurse's office.

ATTENDANCE MARKS

According to State of California Education Code, student absences will be marked according to one of the following categories:

1. **EXCUSED** absences include religious holidays, sickness, medical, optical, or dental appointments, death in the immediate family, or jury duty.
2. **UNEXCUSED** absences are those which are not authorized by the school, even though the parent is aware. Such absences include work, shopping, errands, out of town, vacations, car repair, hair, nail or personal appointments, babysitting, airport, personal appointments, car trouble, oversleeping, etc.
3. **TRUANTS** - Any absence not cleared by a parent will be marked as a truant. Truancy may result in students being assigned lunch detention and/or on campus retention.
4. **ILLNESS** - Should you become ill while at school, obtain a pass from your teacher to the *Health Office*. If between classes, go to your next period class for a pass. If it is necessary for you to leave campus due to illness, the nurse will contact your parent/guardian. You will not be released to go home due to illness unless you first report to the nurse.

ATTENDANCE PROCEDURES

Be In Class Plan. Students are required to be in class ready to begin class work before the tardy bell rings.

1. Any student who was absent for one or more periods (not school related) the previous day must bring a note from the parent or guardian or call the school within 24 hours of returning to school.
2. Students tardy to first period within the first ten minutes of the bell ringing on the current day should report directly to their classroom if they have a note from their parent.
3. If a student arrives to school after the first ten minutes with a note or prior phone call must report to attendance.
4. Students arriving late without a note or prior phone call must report to the attendance office.

Off Campus Pass

To leave school during the school day for doctor/dental appointments or family emergency, you must have an off campus pass. **Follow this procedure:**

1. **Parents must sign out student prior to leaving campus.** Parent will be asked for photo identification in order to ensure student safety.
2. On returning to campus, the student must check back through the Attendance Office.
3. Leaving campus without first getting an Off Campus Pass is an unexcused absence even if it is due to a medical problem or medical appointment. **Any student off campus during school time without proper documentation may receive a truancy citation from the Sheriff's Department.**

PUNCTUALITY AND PREPAREDNESS:

Student responsibility to be on time and prepared to work with necessary materials. No student should be out of class during any period without a signed, written pass or a restroom vest.

TARDIES

Student must be in class when tardy bell rings. No student shall be out of class during any period without a signed written pass.

ATTENDANCE

It is each student's responsibility to develop and maintain a pattern of consistent attendance in all classes and to obtain all make-up work when absent.

Definition of Truancy (Education Code 48260)

Student Rights and Responsibilities

BILL OF RESPONSIBILITY

Freedom and responsibility are mutual and inseparable; we can ensure enjoyment of the one only by exercising the other. Freedom for all of us depends on responsibility by each of us. To secure and expand our liberties, therefore, we accept these responsibilities as individual members of a free society:

- **To be fully responsible for our own actions and for the consequences of those actions.** Freedom to choose carries with it the responsibility for our choices.
- **To respect the rights and beliefs of others.** In a free society, diversity flourishes. Courtesy and consideration toward others are measures of a civilized society.
- **To give sympathy, understanding and help to others.** As we hope others will help us when we are in need, we should help others when they are in need.
- **To do our best to meet our own and our family's needs.** There is no personal freedom without economic freedom. By helping ourselves and those closest to us to become productive members of society, we contribute to the strength of the nation.

- **To respect and obey the laws.** Laws are mutually accepted rules by which, together, we maintain a free society. Liberty itself is built on a foundation of law. That foundation provides an orderly process for changing laws. It also depends on our obeying laws once they have been freely adopted.

- **To respect the property of others, both private and public.** No one has the right to what is not his/hers. The right to enjoy what is ours depends on our respecting the right of others to enjoy what is theirs.

- **To share with others our appreciation of the benefits and obligations of freedom.** Freedom shared is freedom strengthened.

- **To participate constructively in the nation's political life.** Democracy depends on an active citizenry. It depends equally on an informed citizenry.

- **To help freedom survive by personal responsibility for its defense.** Our nation cannot survive unless we defend it. Its security rests on individual determination of each of us to help preserve it.

- **To respect the right to meet the responsibilities on which our liberty rests and our democracy depends.** This is the essence of freedom. Maintaining it requires our common, concerted efforts.

FREEDOM OF EXPRESSION

(Education Code Section 48916)

“Students of the public schools have the right to exercise free expression including, but not limited to, the use of bulletin boards, the distribution of printed materials or petitions, and the wearing of buttons, badges, and other insignia, except that expression which is obscene, libelous, or slanderous according to current legal standards, or which so incites students as to create a clear and present danger of the commission of unlawful acts on school premises or the violation of lawful school regulations, or the substantial disruption of the orderly operation of the school, shall be prohibited. Each governing board of a school district and each county superintendent of schools shall adopt rules and regulations relating to the exercise of free expression by the students upon the premises of each school within their respective jurisdictions, which shall include reasonable provisions for the time, place, and manner of conducting such activities.

NON-DISCRIMINATION NOTICE

The Hemet Unified School District is committed to providing equal opportunities for both sexes and the handicapped in all education programs and activities which it conducts and for employees and applicants for employment as required by federal and state statutes.

SEXUAL HARASSMENT POLICY

Hemet High School is committed to a work and educational environment in which all individuals are treated with respect and dignity. Sexual harassment is violation of Title IX of the Education Amendment Act of 1972, Title VII of the Civil rights Act of 1964, and California Education Code Sections 210 through 214, inclusive.

Therefore, the district strongly condemns, opposes, and prohibits sexual harassment of individuals, whether verbal, physical, or environmental, by anyone. Any student who violates this policy will be subject to discipline, up to and including expulsion.

Bus Transportation

Students living more than 4.5 miles from school are eligible for transportation. All eligible students are automatically assigned. Please use <http://transpo.hemetusd.k12.ca.us/eduweb/webquery/> to find the assigned bus stop.

Students attending a school other than their home school, as determined by their residential address by means of an approved intra-district transfer, are not eligible for transportation services.

Bus passes are no longer required for eligible Hemet USD students.

There are no fees for eligible students receiving transportation services.

The California Vehicle Code and the California Education Code place the responsibility for the safety and behavior of the student rider upon the bus driver. Students are subject to the authority of the bus driver. School laws regarding behavior, including profanity, obscenity, damaging property, and fighting are in effect on the school bus at all times. Refusal to obey these rules and requests of the drivers will result in the loss of riding privileges and disciplinary action from the school officials.

Cafeteria

Breakfast is served in the Bulldog Bistro at 7:15 each morning. School lunches, as well as a la carte items, are available in the Bistro and from lunch carts during the 40-minute lunch break. Change of Address

Please keep home address, telephone numbers, and parent work telephone numbers up to date by notifying the Centralized Student Services Center, 2085 West Acacia Avenue, Hemet, of any changes. Non-resident students who give any false information or address will be dropped from the class rolls of Hemet High.

Daily Bulletin

Announcements important to students and staff are provided in the daily bulletin prior to the start of the school day. The bulletin is read to students during first period.

Fines And Charges

Fines and charges that have been allowed to accumulate create a heavy burden during the senior year, which is an expensive year. We urge you to pay debts as they arise. **All debts must be cleared during your senior year at senior check-out, or prior to transfer to another school. Check with the ASB office.**

Fire and Disaster Drills

Students are responsible to their teachers in the event of a fire or disaster drill. Listen carefully to the directions given by your teacher and obey them quickly and quietly.

A. FIRE DRILLS - Repeated short soundings on the chime system are the signal for fire drills.

B. EARTHQUAKES - Students will stay indoors and away from exits, windows, and movable objects. Students should remain under tables away from falling debris. If the movement has been severe, the building will be cleared. Follow teachers' instructions.

Health Office

The health office is located in the administration building, near the Counseling Office. If you feel ill or have a medical emergency, please obtain a pass from your teacher and report to the health office.

Students are not to leave the campus because of illness without first reporting to the Health Office. Any violation of this rule is considered truancy.

Insurance Protection

Accident insurance to cover 9th through 12th grade pupils in attendance at school or traveling to or from school is made available to the parents on a voluntary basis. Pupils in the 9th through 12th grade who participate in interscholastic athletics must be insured.

Lockers

All lockers are provided as a convenience to students. Since there are more students than lockers, students share lockers. We ask that you please take care of your locker and keep it clean. Please do not leave valuables in your lockers since the school cannot guarantee security. **Hemet High School cannot reimburse for lost or stolen items.** If it is necessary to bring valuables to school, they should be left in the main office. During P.E. periods it is recommended that wallets, purses, watches and other valuables be left with your P.E. teachers for safekeeping. All lockers must be cleaned out by the last day of school. The custodians will begin cleaning the lockers at that time, and any items remaining will be given to a charitable organization.
