

## DSA Student Narrative

(To be completed by ROP student. Please type on separate sheet.)

Please write a one-page summary on how the ROP has affected your life. Sample content below:

### **Paragraph 1—Opening**

Please share with the audience how you entered into the ROP class or program? Was your ROP class recommended by a counselor, friend, or family? Was it a career pathway of interest? Share in your introduction what ROP class you took or are in and your teachers' name.

### **Paragraph 2—Body of your Paragraph**

Questions you might want to consider and address include, what did you most enjoy about your ROP class(es), with the ROP training, what are your immediate plans after graduation (school to career, college, military, workforce, etc), or how would you describe your ROP training to other students?

### **Paragraph 3—Closing Paragraph**

In your conclusion, tell how ROP has made a difference in your life or impacted your career plans. Would you recommend your ROP class to others? If so, why?
