August 4, 2016

Dear Parents and Students,

I hope that you have had a most relaxing and fun-filled summer. All of us at Fisher are very excited to welcome you soon.

Our Fisher team will spend professional development time by continuing our work on the implementation of Common Core Standards, examining student achievement measures, revisiting our mission and vision for student success, and helping our recently hired teachers navigate their new school the week of August 15<sup>th</sup>. I plan to share the outcomes of our planning time with you at **Back to School Night** on Thursday, September 1, 2016. **Save the date!**

Our **Welcome Packet** will continue to be managed electronically. To access this information, please visit our school website at [www.rjfisher.lgusd.org](http://www.rjfisher.lgusd.org) where you will find a wealth of critical information to review. Please reference each of the **School Document** links to view helpful resources, including bell schedules, calendars, and such.

You should have received your registration update e-mail from the district. If you did not receive your registration update e-mail on August 1st, please contact the Fisher office at 408-335-2300, as we want to be sure we have accurate information on file for all families.

Our Home and School Club will be hosting a **Welcome Coffee** and **Principal's Chat** on Thursday, August 25th at 8:30 a.m. in our Fisher MPR. I sincerely hope that you'll plan to stop by to learn more about how you can both support and connect with our Fisher parent community. I will also be providing updated information on our school-wide goals.

I am thrilled to announce that our new Fisher sports complex is right on schedule with a community **Ribbon Cutting Ceremony** planned for Wednesday, August 17<sup>th</sup> from 9:00 a.m. to 10:00 a.m. and a tour to follow. Rest assured, we will also be hosting our Back to School Night in our new facility for all to see. It is absolutely stunning, and we are most grateful for the community support in making this dream a reality.

I look forward to the coming year with renewed excitement, a commitment to continued innovation, and appreciation for the contributions of all members of our school community.

Sincerely,

Lisa Fraser  
Principal
