
March 2018

From the Principal...

Family Math Night – Family Math Night is from **5-7pm tonight!** Families can go to different stations throughout the evening. Each station is based on a different domain of math, and you will walk away with various fabulous gifts for your family to take home to continue to celebrate math. Our goal is to empower our families to do math together at home. We hope you will join us!

We will begin **state testing this month** in third through sixth grades. Please check with your student's teacher for specific dates and times. Please prepare your student for state testing by encouraging a good night's sleep and a good breakfast in the morning.

Join our Bradley Herd as we participate in **Bradley's fourth annual movie night on March 29** at the Post Theater! Our Student Council has chosen to show Paddington 2. Doors will open at 6pm and the movie will begin at 6:30pm. Concessions will be offered for sale. Please come and join us!

Yearbook orders are due March 5, 2018. They will not be available for purchase after the due date.

Growth and Development Classes for grades 4-6 will be on March 16. A permission form has been sent home to be signed and should be returned by March 5.

Box Tops App – There is an application for your phone that allows Bradley to earn extra Box Tops in addition to cutting them off products. Please take a second to check out and download the app! Box Tops earn money for our school to use for our students.

Thank you for all you do for our students and staff at Bradley. Our families are the best! **As always, it's a great day to be a Buffalo!**

Sincerely,

Michaela Culkin

STUDENT INFORMATION SURVEY

To prepare for the upcoming school year, we are asking that USD207 families complete a **Student Information Survey** form for each student regarding enrollment for 2018-2019. The form is available online through Skyward Family Access beginning March 12th. Please view the form in "Full Screen" on a computer rather than a phone to see all of the required fields.

Advance knowledge of student enrollment numbers is vital information which allows our district staff to better plan for adequate personnel and materials needs. If you are not returning it helps us prepare for processing of student records. We greatly appreciate your cooperation in completing the form. Thank you in advance!
