With 113 registered runners and 52 of those who crossed the finish line, St. Anthony came in 2<sup>nd</sup> place in percentage of participation. Father Albeen Vati

Beginning February 1, STA will be seeing a new face at Mass. Upon Msgr. Mike's retirement, Father Albeen will be our new pastor. Father Albeen is the youngest of six and almost all of his family are involved in Catholic Education. He was instrumental in construction of a Catholic school in India that had 1,200 students. WOW! He was previously the pastor of St. Francis in New Albany, MS.

Please join us at St. Anthony in welcoming him on February 5 beginning with a Mass celebration at 8:15 and then a reception in the school library immediately after Mass.

**Science Fair** – Gathering items, cutting, measuring, gluing, drawing, watching, timing,...the list goes on as 2<sup>nd</sup> Grade and the rest of the STA students get ready for Science Fair, scheduled for Thursday, January 21.

**Kindergarten** – The Kindergarten had a BEARY fun day! They had "Bears" in the classroom. One student was the "bear" and the other student acted as the "sculptor" who molded the "bear" into the type of bear they were. Their

unit on Bears concluded this Friday with a Teddy Bear Picnic.

However, if your child is new to the Eagle Club, there is a \$40 fee and a form to complete. The Eagle Club Registration Form can be found on our website [www.stanthonyeagles.org](http://www.stanthonyeagles.org) under "Forms" on the homepage or click here to go directly to the form. We had several students participate last year in this fun afterschool sport!
