

ACE Academy Charter-PTO

Welcome Back To a New and Exciting Year!

The Parent Teacher Organization (PTO) works hard to help make the school year both enjoyable and exciting for students, teachers, and parents. The purpose of our organization is to aid the students and staff by providing support for educational and recreational needs; to promote open communication between administration, teachers and parents and to encourage ACE school spirit and pride. We hope that you would help support the students and staff at ACE by becoming a member!
