The Culver City Council PTA
Invites You to Become a Member of our School Site PTAs.

Our children are our priority, and we all want the best for them. We all know children learn more and have better lives when parents, school staff, students and the community work together. PTA can bring these groups together to collaborate on programs and activities that benefit all of our students.

Join one or all of CCUSD’s PTAs and you will be joining a nationwide organization of nearly 7 million volunteers. You will be a member of a PTA unit (the individual school site), Culver City Council PTA, California State PTA, and the National PTA.

You do not need to have children in Culver City schools to become a member of the PTA.

Please indicate the number of memberships for each school’s PTA.
