

Chapter 37 Offenses and Consequences

This chart is designed to assist school officials in determining the appropriate disciplinary responses to offenses committed both on and off campus. The chart is based on the requirements of Texas Education Code chapter 37 and common provisions of local districts' Student Codes of Conduct. Before making any final disciplinary decision, school officials should always consult their local Student Code of Conduct.

Key: ★ Mandatory consequence; state law requires this penalty.

✓ Permissive consequence; a local district may choose to impose this penalty if the district's SCOC provides for this option.

Important Notes

Procedures: Before a student is removed from the regular classroom setting, school officials must typically follow an established procedure. The formality of these proceedings varies according to the seriousness of the penalty; for example, the Texas Education Code includes procedures for a conference in the case of a DAEP placement and a formal due process hearing in the case of an expulsion. For more detail on the required procedures, see the FO series of policies and your SCOC.

Temporary Placement: Pending expulsion or DAEP placement, a student may be placed in ISS, out-of-school suspension for up to 3 days, or another appropriate placement in accordance with the district's SCOC.

Notice of Educational Opportunities: The district is required to provide notice to the parent of a student who has been removed to DAEP of the opportunity to complete coursework required for graduation and any available methods to obtain such coursework. [TEC 37.008(l-1)].

Length of Removal: The district's SCOC includes guidelines on the length of a removal to DAEP or an expulsion. [TEC 37.001(a)(5)].

Mitigating Factors: The district must consider self defense, intent, and a student's disciplinary history in deciding whether to order out-of-school suspension, removal to DAEP, expulsion, or placement in JJAEP, regardless of whether the decision involves a mandatory or discretionary action. [TEC 37.001(a)(4)].

New Students: If a student withdraws from school before an order of expulsion or DAEP is entered, the district may complete the proceedings and enter the order. If the student reenrolls in the district during the same or the subsequent school year, the district may enforce the order, reduced for time served. If the student enrolls in another school district, the new district may honor the order, or, if the preceding district failed to enter an order, the new district may complete the proceedings and enter an order. [TEC 37.009(i)].

Old Offenses: School officials are permitted, but not required, to remove students for mandatory DAEP offenses if school officials did not learn of the conduct for more than one year after the conduct occurred. [TEC 37.006(n)].

Elementary Students: Students younger than 10 must receive services in a DAEP if they commit an expellable offense. [TEC 37.007(e), (h)]. However, a student younger than 6 may not be sent to a DAEP unless the student commits a firearm offense under TEC 37.007(e)(2). [TEC 37.006(l)].

Special Education Students: Special state and federal laws apply to the discipline of special education students. See policy FOF(LEGAL) and your SCOC.
