

Looking for a fun, academic elective that will help with college admission?

AP COMPARATIVE GOVERNMENT AND POLITICS

2018-2019 SCHOOL YEAR

COURSE FOCUS

The course measures students' knowledge of **6 core countries** (*China, Great Britain, Iran, Mexico, Nigeria, and Russia*) and their ability to compare and contrast political regimes; electoral systems; federal structures; civil rights; and state responses to economic, social, and religious challenges over time. **The class will be interactive, project based, and current event driven.**

See Mr. Werenka in Room 246 if you have questions
