

COUNCIL OF UNIVERSITY PRESIDENTS

July 19, 2010

To: Dr. Sherry Allison, President
Southwest Indian Polytechnic Institution (SIPI)
Albuquerque, New Mexico

Dear President Allison,

The New Mexico Council of University Presidents (Council) is aware that SIPI is currently in the "candidate" phase of reacquiring full accreditation from the Higher Learning Commission. We understand and appreciate the efforts you and your institution will be making on behalf of your students.

In support of SIPI's mission and future, the Council will work cooperatively with you and your team. The seven public four-year member institutions that make up the Council will continue to recognize the efforts of SIPI's students through the state adopted course transfer and articulation agreement. We are fully confident that under your leadership, the transition from "candidate" to "fully accredited" status will be wholly successful.

Please contact us at your convenience to keep us apprised of your progress and to let us know how we may be of assistance.

With Best Regards,

Dr. David A. Lepre, Executive Director
NM Council of University Presidents
Suite 205, Two Woodward Center
700 Lomas NE, Albuquerque NM 87131

For: The University of New Mexico, New Mexico State University, New Mexico Tech, Eastern New Mexico University, New Mexico Highlands University, Western New Mexico University, and Northern New Mexico College

Cc: Dr. Viola Florez, Secretary of Higher Education
NM Higher Education Department
