School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Vivian Banks is a very special place for learning. The setting is bucolic, with a magnificent view of snow-capped Palomar Mountain available most days and a rural setting that lends itself to a myriad of learning opportunities. It is on the grounds of the Pala Mission, an auxiliary site of the nearby San Luis Rey Catholic Mission. The School is named after Vivian Banks, a Native American who served on the District Board of Trustees from 1944 to 1990.

As a small school VBCS is able to provide students an individualized and personal educational experience with small classroom sizes (average 17 students). Established in 2006, Vivian Banks Charter School has served generations of Pala families. Vivian Banks Charter School (VBCS) is located on the Pala Indian Reservation, within the Bonsall Unified School District (BUSD) existing boundaries.

The Vivian Banks Charter School is a learning community committed to the cultural awareness, social and physical development, and intellectual growth of each student. It establishes a learning environment that fosters respect for self and others, responsibility, and enables students to meet present needs and future challenges in a complex, changing society.

The VBCS educational program serves students with a diverse background and of all ability levels from kindergarten through fifth grade. Our students will be able to apply basic and higher order thinking skills, use technology, and develop effective interpersonal communication, particularly in the area of self-management. A variety of technologies are used to enhance teaching and learning. The school fosters unity by recognizing our common heritage and, within it, the unique contributions of each individual.

Currently our school serves approximately 110 students. We provide a wide array of academic support programs for children who require special assistance in mastering academic standards. A Multi-Tiered System of Support (MTSS) is provided that includes an academic intervention program in English Language Arts and Math, Resource Specialist support, summer school, no-cost before and after school programs, small class sizes, bilingual English Learner support, full-time PE teacher, music teacher, iPads, Smart Boards, 1-1 Chromebooks in grades 3-5, as well as extracurricular enrichment opportunities i.e. running club, student council, native language classes (Cupeno), parent classes, After School Education and Safety Grant (ASES).

Vivian Banks also has a counselor two days per week to support students who need emotional and/or behavioral support. Depending on student need, the school counselor either provides one-on-one support or small group support focused on appropriate peer interactions. The school counselor also supports students in making positive choices as well as delivers push-in character lessons to all classrooms.

VBCS staff not only cares about every child's academic achievement, but also their social and emotional development. We have clear guidelines for behavior that are focused primarily on the Character Counts Traits. These traits include Citizenship, Trustworthiness, Respect, Caring, Responsibility, and Fairness. These positive behaviors are reinforced daily by student/staff interactions and classroom instruction by teachers and counselor.

Over the past 20 years the Pala Band of Mission Indians has demonstrated an unwavering commitment to the education and social well-being of VBCS students. The Pala Band of Mission Indians plays an active role in its support and commitment to the school and the students who attend here.

Visit our school and you will see an atmosphere of high energy and on-task learners, caring and expert instructional staff, and dedicated and caring parents who value the balance of academics and character development for all students.

Mission Statement

Vivian Banks Charter School will create an environment for learning where students and teachers are learners, where parents are fully involved, where thinking and character are values, where a relationship of trust and integrity exists, where risk is expected behavior, and where the culture and background of each learner is recognized and valued.

Vision Statement

"Academic excellence and support for all students to be highly competitive in their chosen career path and college"

School Facility Conditions and Planned Improvements (Most Recent Year)

VBCS staff and students take great pride in the history of our beautiful campus. We work hard to insure it is kept in its original form and continues to demonstrate the beauty and serenity it was founded upon. The San Antonio de Pala Asistencia, or the "Pala Mission", was founded on June 13, 1816 as an asistencia ("sub-mission") to Mission San Luis Rey de Francia, some twenty miles inland upstream from the mission on the San Luis Rey River. It was part of the Spanish missions, asistencias, and estancias system in Las Californias—Alta California. Today it is located on the Pala Indian Reservation located in northern San Diego County, with the official name of Mission San Antonio de Pala. It is the only historic mission facility still serving a Mission Indian tribe.

The district’s maintenance staff follows a comprehensive scheduled preventive and deferred maintenance program to offset costly repairs and minimize disruptions to the instructional program. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair.

A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on campus throughout every school day.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	37	30	60	62	48	48
Mathematics (grades 3-8 and 11)	28	22	54	57	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	51	47	92.16	29.79
Male	21	20	95.24	30
Female	30	27	90	29.63
American Indian or Alaska Native	22	20	90.91	40

Socioeconomically Disadvantaged	43	39	90.7	33.33
English Learners	23	21	91.3	19.05
Students with Disabilities	12	11	91.67	0
Students Receiving Migrant Education Services	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

English Learners	23	20	86.96	30
Students with Disabilities	12	10	83.33	0
Students Receiving Migrant Education Services	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	20	36	81	76	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	26.7		

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

The volunteer assistance you provide in our school is invaluable. We recognize your experiences will enrich the educational program, increase supervision of students and contribute to school safety while strengthening our school's relationships with the community. Vivian Banks Charter School solicits participation from parents on many levels. Through the Charter Council, parents can attend monthly meetings to stay informed of social activities, school programming, and important school information. Parents are also encouraged to volunteer at the many family-based activities offered throughout the year. Some of these events include the Halloween Walk, Parent Appreciation Breakfast, Jog-a-Thon, Lunch on the Lawn, Family Movie Night, Math Night, Book Fair, and Fundraising opportunities. Also, parents are always welcome to volunteer in the classrooms and library. Before and after school clubs such as Running Club, and the 21st Century Skills Club (ASES) encourage parent participation which promotes academic and physical well-being.

Vivian Banks also welcomes the parents/guardians of Native American students to participate on the Indian Education Committee. The Indian Education Committee works to develop educational programs designed to meet the specialized and unique educational needs of Indian children, and approves all programs and budgets funded by the Johnson-O'Malley Program (JOM) and Title VI. The committee consists of elected parents and guardians of Indian students who are enrolled in schools that are receiving funding under the JOM and Title VI program.

Each year, parents have many opportunities to participate in events and workshops which support student achievement. Vivian Banks has partnered with Parent to Parent to provide an assortment of parent workshops over the year. Participants receive high quality resources and materials that will assist them in their role as their child's best advocate. The topics of these workshops include Bullying Prevention, Parent/Teacher Conferences, Test Taking Strategies, Kindergarten Readiness, and Internet Safety.

Vivian Banks Charter School also hosts Coffee with the Principal Meetings. At these meetings parents are encouraged to share ideas and concerns regarding school programming.

School Safety Plan (School Year 2017-18)

Vivian Banks Charter School places strong emphasis on safety for students and staff. We have clear guidelines for behavior that are focused primarily on the Character Counts Traits. These traits include Citizenship, Trustworthiness, Respect, Caring, Responsibility, and Fairness. These positive behaviors are reinforced daily by student/staff interactions and classroom instruction by teachers and counselor. On Friday morning of each week students demonstrating outstanding character are recognized at a school-wide assembly.

The school safety plan includes procedures for a variety of emergency situations, is updated yearly, and is based upon the Emergency Response Crisis Management Template. The Comprehensive Safe School Plan includes data regarding crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. A copy of the plan is available for inspection by the public at the school.

Our school and grounds are very safe. Staff members monitor the campus before school, after school, and during breaks. Our discipline policies curtail fighting and bullying. We routinely go over safety rules with students, and we practice fire, earthquake, and other disaster drills monthly.

Vivian Banks has a counselor on site two days per week to support students who need emotional and/or behavioral support. Depending on student need, the school counselor either provides one-on-one support or small group support focused on appropriate peer interactions. The school counselor also supports students in making positive choices as well as delivers push-in character lessons to all classrooms.

Vivian Banks is fortunate to have the Pala Fire Department near the school. The firemen are often on campus talking with students and supervising fire and safety drills. They also provide safety assemblies for students throughout the year covering topics such as Fire Safety and Bicycle Safety. Vivian Banks has also fostered a strong relationship with the Valley Center Sheriff's Office. Deputies routinely visit the campus and provide assemblies to students and parents regarding stranger safety, internet safety, and crime prevention.

Professional Development (Most Recent Three Years)

All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. Bonsall Unified School District identifies a yearly professional development focus based on a comprehensive analysis of multiple forms of student data and feedback from teachers including:

- Common Core Implementation including the SBAC assessment system for ELA, Math, ELD, Science, Social Science.
- Technology Implementation—Professional Development to support best practices of technology integration in the classroom along with the use of new and existing programs.
- Positive discipline in-services and student character development.

- Devices/Software—Multiple pilots of devices and software with professional development for admin, teachers and students.
- I-ready – Adaptive diagnostic and online instruction framework for Reading and Math
- Technology Team, Superintendent Advisory and Curriculum Councils
- Weekly Professional Learning Community (PLC) collaboration for all teachers.
- Instructional Leadership PLC Workshops throughout the year for K-5 teachers and principals focused on support for district initiatives and collaboration time.
