### About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2011-12 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/). For additional information about this school, please contact the school administration at (714) 378-1515.

### Vision

John R. Peterson school assesses its effectiveness on the basis of results rather than intentions. We will continue to cultivate a collaborative culture where learning is our fundamental purpose while striving for API scores above 900.

Individuals, grade level teams and administration will regularly seek data to promote continuous improvement to ensure that all students attain proficient or advanced levels on the statewide Standards assessment exams.

The school will be recognized as an inclusive community where staff, parents, administration and business partners actively work together to assure every student's academic, social and emotional success.

### Mission

The students, staff and parents of John R. Peterson School comprise a culturally diverse community whose purpose is to work together so all students achieve a level of literacy in English Language Arts and knowledge of mathematics that enables them to meet all State Standards and interact appropriately within our diverse society. All students will demonstrate strong character and positive values while striving to attain academic excellence.

### Values

All students can learn, have an equal opportunity to learn, and deserve access to a rich instructional program in a community where students, staff and parents know each other, care about each other, and feel valued as a member of the group.

Learning is a developmental process that can best be achieved by providing exciting, active, challenging and purposeful higher order thinking experiences.

It is the responsibility of the staff to prepare students to participate in a culturally diverse, democratic society as an involved citizen. In that spirit, the development of decision making skills and the nurturing of positive values and strong character will be as high a priority as strong academic achievement.

Each student is a special and unique individual who deserves to be valued and accepted.

Success comes from each staff member being committed to meeting every student's academic, social, and emotional needs through school-wide programs that emphasize a healthy mind and body.

## **Motto**

We believe that one teacher can change a child's life...and one child can change the world.

## **School Description**

John R. Peterson School is a community K-5 elementary school located in the southeastern section of Huntington Beach. Peterson follows a traditional school schedule. It was built on a fifteen acre site originally opened in 1963. The Jack K. Clapp wing was added in 1977 to accommodate the district's special education students. Due to declining enrollment throughout the district, the site was closed to elementary students in 1981. As a result of increasing population and the implementation of the class size reduction program, Peterson was reopened in 1997 after being renovated for the twenty-first century at a cost of \$2.3 million which provided full site cabling and internet capabilities, phone systems with voice mail in each classroom, upgraded electrical systems, renovated fields, paint, carpet, tile, remodeled offices, furnishings, and equipment. The site houses six programs. The regular education program serves children who reside in the immediate area; the Voyagers' Class program serves first through fifth grade Asperger's students within the district; the Gifted and Talented Education centered program serves children identified as gifted and talented who reside throughout the district; the Title I program provides intervention support for students who are not meeting designated achievement standards; the English Learner program provides English instruction to students who have not yet mastered English as a second language; and our preschool program is a tuition based program that prepares three and four year olds for kindergarten. The school's population includes students from diverse ethnicities. Categorical funding includes SLIBG, Title I, EIA/LEP. Special Education resources on site include Speech and Language, RSP, and our "Voyagers' Class" for grades 1-5 students with high-functioning Asperger's Syndrome. Peterson is fortunate to have an active PTA and over 11,000 hours of volunteer time each year devoted to in-classroom assistance and providing supplemental programs such as the Whale Tales Incentive Reading Program, Accelerated Reader, enrichment assemblies and Standards aligned field trips for every child. Peterson's mission statement and shared value statements were mutually developed and provide the foundation for our shared decision making. In 2000, Peterson earned recognition as an Honorable Mention for California Distinguished School. Peterson was named a 2003, 2008 and 2012 California Distinguished School and in 2011 became an over 900 API school. Peterson also has the distinction of National PTA recognition as a "Parent Involvement School of Excellence".

## **Opportunities for Parental Involvement**

Parents and the community are very supportive of the educational programs at Peterson School. Each year more than 11,000 hours of volunteer time are given to the various PTA-sponsored fundraising activities to support the vocal music and band programs, Science Fair, Meet the Masters art instruction, and the Whale Tales incentive reading program. PTA also provides financial allocations for curriculum related assemblies and field trips for each class. In addition, the PTA has provided classroom technology such as SMART Boards, document cameras and n-computing in every classroom.

In 2004, Peterson's PTA was one of 22 in California to receive an award of recognition by the National PTA. The school was recognized as a Parent Involvement School of Excellence by meeting a variety of criteria in areas such as communication, volunteerism, parenting, student learning, school decision making, advocacy, collaboration with the community, and parent and family involvement. Yearly, parent volunteers provide over 11,000 hours of volunteer service to our school. We are proud of the accomplishments of our PTA members. Peterson School created a community partnership program in 2006-07 entitled Partners in Progress that has achieved great success. The program creates \$250 scholarships for each classroom that teachers may use for supplies, materials, and specific unit resources to support instruction. 2011-12 Partners include J. P Instruments, Inc., Quantum Signs and Graphics, Doug Brown and Associates, Brad and Karen Plantiko, Valentina Y Poponina, Dennis and Sons Machinery Sales, Cub Scout Pack 290, Toan Q. Tran M.D., Patrick and Samantha Schmidt, Caring Families of Room 27, Innovision Media Group, Louis C. Bellanca and Associates, Michael and Kristin Stilton, Preeprem N Empremsilapa, Brownie Troop 1144, Tuan and Vivian Phan, Susan Turner 4 Homes, Klass and Jan Volbeda, Bruce Ennen Tile and Stone Inc., Jesse and Stephanie Cravath. We are thankful for their support. More information regarding sponsorships is available by calling the school office at 714- 378-1515.

The Huntington Beach Education Foundation, a joint business and educational partnership, provides funding for teacher mini-grants, classroom speakers, supplemental materials and supports parent educational opportunities.

Parents who wish to volunteer or participate in Peterson School's leadership teams, school committees, or school activities may contact the school at the number listed above.

As a Title I school, we have crafted a Parent Involvement Policy that is reviewed yearly by teacher and parent groups then approved by our Peterson School Site Council.

**School Parental Involvement Policy  
Peterson Elementary School  
Huntington Beach  
City School District  
2012-2013**

**STATEMENT OF PURPOSE**

The involvement of parents and community members is an essential component of nurturing students. Every effort to invite and consider parent and community input was made to ensure the success of our students. A team of parents, teachers and administrators developed the following school/parent/community involvement policy.

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring-

- that parents play an integral role in assisting their child's learning;
- that parents are encouraged to be actively involved in their child's education at school;
- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;

Information about school policies and involvement opportunities are communicated through direct parent contact in the following manner:

- The School Parent/Community Involvement Policy and School-Parent Compact are distributed to parents and students in the Home and School Agreement, which is distributed annually during Parent-Teacher Conferences to all students and their parents. Teachers review the Home and School Agreement and policies with the students during the period of Parent-Teacher Conferences. Parents are asked to read and discuss the Home and School Agreement with their students and sign and return an acknowledgment form.
- Peterson Elementary School notifies parents about the School Parental Involvement Policy in an understandable and uniform format and, to the extent practicable, distributes this policy to parents in a language the parents can understand.
- Peterson Elementary School makes the School Parental Involvement Policy available to the local community through the following sources:
  - Peterson's Web Site: <http://www.hbcasd.k12.ca.us/peterson/>
  - PTA Newsletter: The Peterson Gazette
  - Twilight Program
- Peterson Elementary School periodically updates the School Parental Involvement Policy to meet the changing needs of parents and the school.
- Peterson Elementary School has adopted the school's Home and School Agreement (school-parent compact) as a component of its School Parental Involvement Policy.

**SCHOOL POLICIES, INVOLVEMENT OPPORTUNITIES, AND MEETINGS**

Peterson Elementary School convenes an annual meeting to inform parents of the following (transportation, babysitting, flexible meeting times will be addressed):

- That their child's school participates in Title I,
- About the requirements of Title I,
- Of their rights to be involved, (a copy of the district's district-wide parental involvement policy)
- About the school's participation in Title I (status of targeted assistance program)
- About the programs and methods used to instruct children participating in Title I intervention

Additionally, Peterson Elementary School conducts an open forum for parents and community member to further involve them in the joint development and joint agreement of its School Parental Involvement Policy.

Parents are provided with a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet will be provided.

- Parent and Community Resource Binder will include:
  - School Parent Involvement Policy
  - School/Meeting Calendar
  - Parent/Student Handbook
  - Volunteer Applications/Information
  - Assessment Information
  - DIBELS Benchmarks
  - Testing Calendar
  - Curriculum Descriptions for English Language Arts and Math and other content areas.

#### Standards

- The School's Web Site provides information about the staff, classroom activities and parent resources.
- A brochure is distributed for each grade level describing which standards will be taught for the year. California state standards are distributed to parents in each child's classroom at Back to School Night.
- Newsletters provide information and parent feedback.
- Translators are available for Parent-Teacher Conferences.

If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible will be discussed. Parents/community members will be given timely responses to any concerns and suggestions.

The Home and School Agreement (Parent Compact) is a part of the School Parent Involvement Policy. The compact was developed by teachers, parents and administrators. It describes the responsibilities of the school and parents to improve student performance and the means in which to do so.

Building capacity for parent/community involvement is listed in the District Parent Involvement Policy. Specific activities include: 6.8% of our students are English Learners. We hold ELAC (English Language Advisory Committee) meetings at our site for parents of our English Learners. The meetings have a bilingual interpreter if necessary.

An end of the year get-together in the HBCSD Curriculum Lab affords parents the opportunity to create summer learning activities for their child.

Classroom volunteer opportunities exist in several of our classrooms. The PTA holds a yearly Volunteer Orientation at the end of September.

The Huntington Beach City School District has developed a new website that offers a wealth of information to parents. On the HBCSD website, parents of Title I students have the opportunity to submit online responses to a survey regarding the effectiveness of their home school's educational programs. This survey is offered in both English and Spanish. The parents are provided access to a computer during Title I Parent Night where they are provided the opportunity to submit the survey if they wish.

Parents of Title I students can take Title I Parent Survey (Spanish: Evaluacion de necesidades del Titutlo I) on the Huntington Beach City School District Website: <http://www.hbcd.k12.ca.us/>

Student Enrollment by Grade Level	
Grade Level	Number of Students
Kinder.	94
Gr. 1	107
Gr. 2	102
Gr. 3	111
Gr. 4	97
Gr. 5	125
<b>Total</b>	<b>636</b>

Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0.3
American Indian or Alaska Native	0.3
Asian	8.6
Filipino	0.3
Hispanic or Latino	19.5
Native Hawaiian/Pacific Islander	0.2
White	62.3
Two or More Races	8.4
Socioeconomically Disadvantaged	20.8
English Learners	8
Students with Disabilities	7.8

Average Class Size and Class Size Distribution												
Year	Average Class Size			Number of Classrooms*								
				1-20			21-32			33+		
	10	11	12	10	11	12	10	11	12	10	11	12
Kinder.	30	27.3	31.3	0	0	0	3	3	3	0	0	0
Gr. 1	18.6	29	31.7	1	0	0	4	3	3	0	0	0
Gr. 2	18.2	31.5	30	0	0	0	5	2	4	0	0	0
Gr. 3	24.6	30	30	0	0	0	4	1	3	1	0	0
Gr. 4	23.6	28.3	29	0	0	0	5	3	4	0	0	0
Gr. 5	26.6	33.5	31.3	0	0	0	5	0	2	0	2	2

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

Suspensions and Expulsions			
School	09-10	10-11	11-12
Suspensions Rate	0.45	1.08	1.80
Expulsions Rate	0.0	0.0	0.0
District	09-10	10-11	11-12
Suspensions Rate	4.05	4.23	4.8
Expulsions Rate	0.01	0.09	.10

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

### School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, yard supervisors and teachers monitor students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

The Comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff in the fall, at the start of each school year. The plan was last updated and reviewed with school staff in October 2011.

A school safety committee, comprised of both certificated and classified staff and the principal, meets regularly during the school year to review school safety and make requests/recommendations to the district safety committee.

The district progressively addresses structural needs at each school to ensure facilities are safe and comply with education codes as well as building and safety regulations. A \$30 million bond (Measure DD) combined with a \$17 million Prop 47 allocation provide the necessary funding for district wide modernization efforts. Peterson School receive an apportionment of approximately \$1.4 million for its upgrades and modernization projects. Previous improvements at the Peterson campus included installation of new roofing, water and gas line replacement, kindergarten playground resurfacing, phone system upgrade, and replacement of windows and doors. More recent improvements to provide a safe and healthy environment include carpet replacement in several classrooms and the school office and new floor tile in the nurse's office and designated restrooms as school-wide exterior painting.

### School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

**Year and month in which data were collected:** August 23, 2012

Peterson School, constructed in 1963, consists of ten separate buildings including an administration building with office and library, a multipurpose room with kitchen, eight classroom buildings with 22 total classrooms. An additional classroom building, with 9 classrooms, was built in 1979. The site also has 4 portable classrooms added in the 1990's and a YMCA portable building used for before and after school child care.

This site has been retrofit with energy efficient interior and exterior lighting.

Improvements completed during 2012 included filling cracks, slurry coating and restriping of the playground, new floor tile in 5 restrooms, new HVAC unit in the office, replacement of heaters in 6 classrooms and exterior painting of all buildings.

Facilities are inspected continuously by custodial and maintenance personnel and work orders are submitted as needed.

### School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

**School Facility Good Repair Status**

System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor

School	10-11	11-12	12-13
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

### Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

All training and curriculum development at Peterson School revolves around the California State Content Standards and Frameworks. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

Huntington Beach City School District regularly collaborates with all levels of district and school site staff when developing professional development activities in alignment with the No Child Left Behind Improving Teacher Quality Expectations. Instructional program improvement is driven by student needs and guided by state standards and frameworks. District and school administrators use site trend analyses, state testing, district-level assessments, teacher response, and administrator observations to identify more effective methods and strategies to achieve positive results for teachers and students.

The Assistant Superintendent of Educational Services and principals meet monthly to analyze current instructional programs, instructional materials, implementation timelines, and student achievement. Feedback is gathered at the site level through direct input and staff observation. Periodic Curriculum Development Committees are formed to address identified areas of need and focus. In the 2011-12 school year, staff development was held during early release Thursdays. District-level training activities and professional development revolved around Path to Proficiency training and HM Medallion training.

In alignment with the district's long-range curriculum plan, professional development opportunities are available for teachers, support personnel, administrators, and classified staff at Peterson School. A comprehensive school plan is in place which guides curriculum improvement. Focus areas for each year are determined by student achievement, district focus areas, parent and staff survey results, and the textbook adoption cycle. Progress is assessed yearly using multiple criteria including STAR testing results, writing sample results, reading test results, student work, teacher observation, and criterion based testing. Areas of focus for staff development include: integration of technology (SMART Boards/document cameras); teaching to English Language Learners; Reading/Language Arts and Mathematics instruction; strategies for at-risk students; POWER Standards; assessment/accountability and data analysis. A portion of our school funds is used to enable staff members to attend teaching seminars and other events designed to enhance their teaching techniques and expand their knowledge base. Teachers new to the profession are supported by peer coaching and are encouraged to attend in-services offered by the West Orange County Consortium for Special Education or education consultants. Teachers are encouraged to attend subject-specific seminars and major conferences and share what they learn with other staff members. The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching opportunities to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

Classified staff and instructional assistants are provided training and development opportunities at the school and district level. In-services for classified staff are geared to their specialty areas.

### Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: [www.cde.ca.gov/nclb/sr/tq/](http://www.cde.ca.gov/nclb/sr/tq/)

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
<b>This School</b>	100	0
<b>Districtwide</b>		
<b>All Schools</b>	99.8	0.2
<b>High-Poverty Schools</b>	0	0
<b>Low-Poverty Schools</b>	99.8	0.2

\* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	N/A
Social/Behavioral or Career Development Counselor	0
Library Media Teacher (Librarian)	N/A
Library Media Services Staff (Paraprofessional)	.375
Psychologist	.6
Social Worker	N/A
Nurse	N/A
Speech/Language/Hearing Specialist	1.
Resource Specialist	N/A
Other	N/A
Average Number of Students per Staff Member	
Academic Counselor	N/A

\* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

### Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Peterson is the centered Gifted and Talented Education Program school for students identified as GATE in grades 2 -5. GATE classes are taught by fully credentialed, GATE-trained teachers, who annually participate and attend GATE training and workshops sponsored by the California Association for the Gifted.

Peterson School continues to be designated as one of four schools within the Huntington Beach City School District to receive Title I funds from the federal government. Identified students are eligible to receive additional assistance and support from their classroom teacher and a credentialed Title I/EL teacher. The area targeted for improvement is reading, beginning with a focus on early intervention in grades kindergarten through five. In addition, English Learners receive additional support from pull-out instruction in English.

Our Voyager's Class provides in-class support for students diagnosed with high functioning Asperger's Syndrome or autism who are main-streamed into the regular classroom. In addition, Voyager's students receive social skills instruction on a pull-out basis with social behavior management support both in the classroom and on the playground.

### Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010-11)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
<b>School Site</b>	4,499.92	733.70	3,766.22	68,794
<b>District</b>	♦	♦	1,472.52	\$71,546
<b>State</b>	♦	♦	\$5,455	\$69,404
<b>Percent Difference: School Site/District</b>			60.90%	%
<b>Percent Difference: School Site/ State</b>			%	%

\* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

\* **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: [www.ed-data.org](http://www.ed-data.org).

### Teacher and Administrative Salaries (Fiscal Year 2010-11)

Category	District Amount	State Average for Districts In Same Category
<b>Beginning Teacher Salary</b>	\$39,207	\$41,246
<b>Mid-Range Teacher Salary</b>	\$73,823	\$67,400
<b>Highest Teacher Salary</b>	\$90,042	\$85,481
<b>Average Principal Salary (ES)</b>	\$109,661	\$107,739
<b>Average Principal Salary (MS)</b>	\$104,543	\$111,540
<b>Average Principal Salary (HS)</b>		\$110,146
<b>Superintendent Salary</b>	\$183,871	\$180,572
Percent of District Budget		
<b>Teacher Salaries</b>	45%	42%
<b>Administrative Salaries</b>	6%	5%

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

The Beginning Teacher Support and Assessment (BTSA) program offers additional support and opportunities to new teachers. The program is designed to assist those new to teaching to expand and deepen their teaching skills, help the school district retain more new teachers, and improve learning opportunities for students.

For experienced teachers, the Peer Assistance and Review Program utilizes the district's veteran teachers as "consultants" to assist with staff development district-wide, with a particular focus on teacher needs.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)**

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

**Year and month in which data were collected:** October 2011

Pursuant to the settlement of Williams vs. the State of California, Huntington Beach City School District thoroughly inspected each of its school sites at the start of the 2008-09 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom. Additionally, all textbooks and instructional materials used within the District must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education.

**Textbooks and Instructional Materials**

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
<p><b>Reading/Language Arts</b>                      The textbooks listed are from most recent adoption: Yes                      Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Houghton Mifflin                      Adoption Year 2003</p>
<p><b>Mathematics</b>                      The textbooks listed are from most recent adoption: Yes                      Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Houghton Mifflin                      Adoption Year 2002</p>
<p><b>Science</b>                      The textbooks listed are from most recent adoption: Yes                      Percent of students lacking their own assigned textbook: 0.0%</p>	<p>Pearson Scott Foresman                      Adoption Year 2008</p>

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at [star.cde.ca.gov](http://star.cde.ca.gov).

STAR Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	09-10	10-11	11-12	09-10	10-11	11-12	09-10	10-11	11-12
ELA	74	83	83	77	78	81	52	54	56
Math	73	85	86	74	74	75	48	50	51
Science	81	77	82	82	84	86	54	57	60
H-SS				65	72	74	44	48	49

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

2012 STAR Results by Student Group				
Group	Percent of Students Scoring at Proficient or Advanced			
	ELA	Math	Science	H-SS
All Students in the LEA	81	75	86	74
All Student at the School	83	86	82	
Male	80	83	85	
Female	87	89	80	
Black or African American				
American Indian or Alaska Native				
Asian	98	98	100	
Filipino				
Hispanic or Latino	57	64	56	
Native Hawaiian/Pacific Islander				
White	88	90	83	
Two or More Races	97	92		
Socioeconomically Disadvantaged	66	70	59	
English Learners	24	48		
Students with Disabilities	70	76	73	
Students Receiving Migrant Education Services				

#### California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

Grade Level	Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	7.2	21.6	64

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

### Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at [www.cde.ca.gov/ta/ac/ap/](http://www.cde.ca.gov/ta/ac/ap/).

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	09-10	10-11	11-12
All Students at the School	-5	38	-2
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	-14	60	9
Native Hawaiian/Pacific Islander			
White	-4	30	-12
Two or More Races			
Socioeconomically Disadvantaged	-9	69	12
English Learners			
Students with Disabilities			

### Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison			
API Rank	2009	2010	2011
Statewide	9	9	10
Similar Schools	3	1	5

### Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: [www.cde.ca.gov/ta/ac/ay/tidetermine.asp](http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp).

Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement		2012-2013
Year in Program Improvement		Year 1
Number of Schools Currently in Program Improvement		2
Percent of Schools Currently in Program Improvement		22.2

### API Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API (API-G) at the school, district, and state level.

Group	School	District	State	
All Students at the School	Students	424	5,377	4,664,264
	API-G	924	902	788
Black or African American	Students	2	29	313,201
	API-G	845	710	
American Indian or Alaska Native	Students	2	24	31,606
	API-G	855	742	
Asian	Students	39	508	404,670
	API-G	974	956	905
Filipino	Students	2	33	124,824
	API-G	903	869	
Hispanic or Latino	Students	72	965	2,425,230
	API-G	836	838	740
Native Hawaiian/Pacific Islander	Students	1	23	26,563
	API-G	855	775	
White	Students	267	3,458	1,221,860
	API-G	938	911	853
Two or More Races	Students	38	335	88,428
	API-G	971	927	849
Socioeconomically Disadvantaged	Students	89	929	2,779,680
	API-G	846	821	737
English Learners	Students	34	434	1,530,297
	API-G	757	806	716
Students with Disabilities	Students	46	599	530,935
	API-G	827	757	607

### Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at [www.cde.ca.gov/ta/ac/ay/](http://www.cde.ca.gov/ta/ac/ay/).

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	Yes	Yes
Met Graduation Rate (if applicable)	N/A	N/A
