**Clay Cups for a Cause
Free Coffee - Free Mugs
Save the Environment
March 13, 3:30-7 PM**

Join the AAJHS art students at The Clay Cup in downtown Altoona on March 13. Students will be giving away hand-built ceramic mugs in an effort to help the environment. Use this mug instead of a disposable cup to help reduce waste. Customers will not only receive a free mug but one free cup of coffee. This project is made possible through a grant from the AASD Foundation. Visit the Clay Cup Facebook page for more information.
