EMERGENCY PREPAREDNESS - ARE YOU READY?

TUESDAY, FEBRUARY 27, 2018

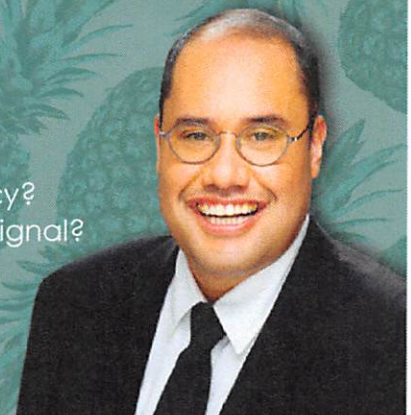

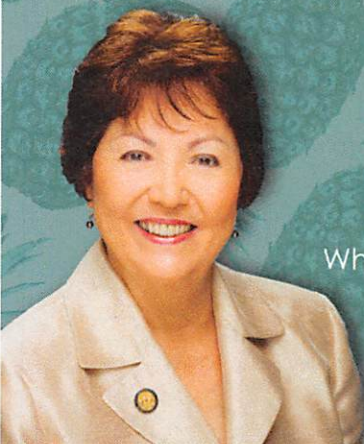

7:00 PM

MILILANI MIDDLE SCHOOL CAFETERIA

In light of recent concerns regarding North Korean nuclear and missile tests, Senators Michelle Kidani and Donovan Dela Cruz are sponsoring a town hall forum for the community to learn more about what the state is doing to educate and prepare the public for potential nuclear threats. The Hawaii Emergency Management Agency and the Department of Education have been invited to speak at the forum so families can learn how to prepare for various scenarios. The event is free and open to the public.

Please join us for an Emergency Preparedness presentation by the Hawaii Emergency Management Agency (HI-EMA) to learn how best to prepare your home and family for a worst-case attack. This public meeting will focus on ballistic missile preparedness, including what to do when an alert has been issued, and what to do in the aftermath of an attack. The Department of Education will present the DOE's plans for sheltering students in place and preparedness for other scenarios at our public school campuses.
