F25: STUDENT ATTENDANCE

Policy

It is the policy of the Milton Town School District to set high expectations for consistent student school attendance in accordance with Vermont law in order to facilitate and enhance student learning.

Background

Vermont law requires school attendance for students between the ages of 6 and 16 so a student may complete a course of study that will facilitate the transition to the responsibilities of adulthood. The Milton Town School District believes consistent attendance is a prerequisite for assuring the academic, social and emotional growth of students. In addition, regular and punctual attendance is important to the development of responsible and effective work/study habits as well as a demonstration that students are assuming responsibility for their own behavior. Encouraging students to take full advantage of their education is a shared responsibility of students, families, schools and communities.

3. A tardy student is one who enters school or class late.
