Conferences are coming! 1:15pm Dismissal Everyday March 19-27

Parent/Teacher Conferences are scheduled for March 19-27. Conferences are a great time to find out how your child is doing and set goals for the rest of the school year. **Conference Days are early release days for all students, K-5. School is out at 1:15pm for these 7 days.**

Kindergarten Parents

Because our Kindergarten classes get out only 1 hour before our 1st-5th grade classes, for some of you it might not make sense to go all the way home just to have to come back to pick up another child. We understand that, and have allowed Kindergarten parents to hang out and wait. While we are okay with this, we also need your cooperation. All of our outside areas need to be accessible to our classrooms. For example, if a 3rd grade teacher wants to bring her/his class out to play on a structure, or play a game on the field, they need to have sole access to that area. If you see a class come out to the area you are waiting in, please gather your child and go somewhere else. Your cooperation allows us to continue to make it possible for people to wait on campus.

Talent Show Help Needed!

We are preparing to start work on our 2015 Talent Show. The evening performance this year is scheduled for Friday, May 22 at 6:30pm. Mary Caddell (1st grade teacher) has agreed to be the chairperson. However, to put on an event such as this, we need the help of parents. If you are interested in helping, please email Mary Caddell at caddellm@unionsd.org. If we get enough help, we will move forward with planning for the show.

Save The Date - April 2

Lietz Family Math Night is Thursday, April 2nd. Come on out and bring the family to a fun night centered on mathematics. Teachers and volunteers will man stations around the campus with different math related games and activities.

6th Grade Orientation at Dartmouth

5th Grade parents are invited to a 6th grade orientation meeting at Dartmouth Middle School on **Tuesday, March 24 at 6pm**. This is a great opportunity to learn about the 6th grade program.
