### **From Mrs. Hermes, the Principal...**

Spring is here, which means warmer weather and the final few months of school for this year! It is important to keep communicating with your child's teacher to ensure that your child is on track for progressing to the next grade level. Teachers will be working on important standards and we need your support ensuring that students don't get "spring fever" – losing focus and having behavior issues in class. Report cards will be sent home after spring break on March 21st, and our 3rd quarter awards assembly is on March 22nd. I hope you and your families have a wonderful spring break and I look forward to seeing you at the awards assembly!
