

Looking for a special gift for your child on his or her Birthday?
Celebrate your child's Birthday by donating a book to the Carver Library
A book is a gift that keeps on giving for years to come.

By donating a book, your child will:

- Choose a book for the Library collection
- Have his or her name placed inside the book
- Be the first person to check out the book

There are two ways to donate:

- Please visit the Carver Library Amazon wish list. Log into Amazon.com, click on "lists" and type "Carver Library". Purchase the book of your preference to donate. The book will be mailed directly to Carver School. We will deliver the book to your child on their Birthday.
- Or you can buy and bring the book that you would like to donate.
- Either way, complete the form below and send it to the school Library two weeks before your child's Birthday and we will get your child's book ready.
- *For summer Birthdays, we are happy to offer Half Birthday books.*
