“Celebrating 20 years”

It's that time of year again. On May 31st, 2018 the TWENTIETH ANNUAL CAREER DAY is happening at our school. In the past, we have had great success bringing over 135 presenters from different walks of life to share their knowledge and experience with our students. We are reaching out to you, the faculty, to help us find interesting leads that could help us expand our career pathways offerings to truly expose our students to a wider group of occupations. Perhaps you know an alumni, a friend or a relative that may want to share their experiences.

With your help, we know we can continue to come up with a wealth of occupational information to expand our students exposure to career education. If you know someone please refer them to us or they can register at : <https://www.surveymonkey.com/r/uchscareerday>
