

## **NJ FamilyCare Information**

NJ FamilyCare is a very important program that provides free or low cost insurance for children and their parents who aren't covered.

The Governor has made a commitment for New Jersey to provide universal health insurance to children and affordable options for parents/guardians. This new law mandates that all children age 18 and under have health insurance.

The Bordentown Regional School District, in cooperation with the New Jersey Department of Education, is distributing information to help families' access free or low cost health insurance. For information and to access the NJ FamilyCare website, go to: [www.njfamilycare.org](http://www.njfamilycare.org) or call 1-800-701-0710.

In addition, fact sheets in other languages (Spanish, Turkish, Hindi, Polish and more) can be also be found at: [www.njfamilycare.org](http://www.njfamilycare.org) .
