JUNE 6, 2017

Tentative Calendar 2017-2018

The District and FUTA have been negotiating a teacher work calendar for school year 2017–2018 for some time. The District will continue those negotiations in good faith and is hopeful of reaching an agreement. If the parties are unable to do so, we will follow the appropriate impasse process to resolve our differences.

In the meantime, because we know that families, students, and employees need to begin to plan for important events in the 2017–2018 school year, **the Board took action on June 6, 2017 and has adopted the tentative certificated bargaining unit work calendar.** We note that it is subject to change due to a negotiated agreement with FUTA.
