Google Classroom: Teachers have posted some links for different sites there. Students know how to get here and click on those links.

If you would like to access your Google account (Google Drive, Docs, Slides, Drawing, Classroom, etc.) at home, here is how you can do that:

- 1. Go to Google and **sign in****

 - a. username: student ID#@stu.lpps.info
(example: 20021234@stu.lpps.info)
 - b. password: student ID# (example: 20021234)

- 2. Then type in the name of the site you want then .google.com**
 - a. example: drive.google.com, classroom.google.com, docs.google.com,
etc.
