

Phillip Brown

Class of 2007

After graduating from ELCA, I accepted an appointment to the United States Air Force Academy. After 2 years I transferred to Georgia Southwestern State University where I graduated with a bachelor's degree in psychology. During my time at GSW I became the schools first Division 2 All-American in any sport and lead my basketball team to its first birth in the NCAA tournament. After spending a year working on my MBA I turned pro and headed off to France. I have been here for 3 seasons and now speak French. I am also a successful international entrepreneur with Visalus Sciences where I am a Regional Director. Spreading health and fitness in the United States and Europe.
