The Flint Early Promise Partnership supports parents of young children by preparing both the child and parent for the first day of school.

**THE FLINT EARLY PROMISE PARTNERSHIP**

The Flint Early Promise Partnership supports parents of young children by preparing both the child and parent for the first day of school.

**Home Visiting Services**

*Successful Kids = Involved Parents*

SKIP home visitors use Parents as Teachers curriculum during monthly home visits. SKIP staff offer toddler play groups throughout Flint.

**SERVICES**

**FROM DAY ONE...**

If your child is born at Hurley Medical Center, Genesys Health Systems, or McLaren you will receive a visit from an Early On Home Visitor.

The Early On Visitor will offer you:

- A new born literacy bundle.
- Enrollment of your preschool aged children in Dolly Parton’s Imagination Library.
- A home visit.
- Follow up phone call.

**LET FLINT COMMUNITY SCHOOLS BE YOUR EDUCATIONAL HOME AS YOUR CHILD BEGINS PRE-SCHOOL.**

OUR HIGH QUALITY PRE-K PROGRAMS OFFER YOUR CHILD EDUCATIONAL EXPERIENCES TO DEVELOP THEM ACADEMICALLY, PHYSICALLY, AND SocialLY. OUR CLASSROOMS ARE LOCATED IN YOUR LOCAL ELEMENTARY SCHOOLS CREATING A SEAMLESS TRANSITION INTO KINDERGARTEN.

**GOING BACK TO WORK?**

If you are a working parent needing high quality, full day, full year services for your infants, toddlers, and preschoolers you may qualify for these free programs:

- Early Head Start
- Educare Center
- Cummings Early Childhood Center
- Holmes Great Expectations for eligible three year olds

**UNIVERSAL PRESCHOOL FOR 4 YEAR OLDS IN FLINT**

Will your child turn 4 before September 1st of this calendar year? If so, children exposed to the Flint water are eligible for free preschool through Head Start or Great Start Readiness programs offered throughout the Flint Community.

*Call 591-KIDS to find the program that best fits the needs of your family.*

**EARLY ON**

Every child in Flint birth to 5 is eligible for Early On services providing the necessary support for speech and language, physical and occupational therapy. An Early On specialist can assist parents in finding an educational setting that meets the family’s specific needs.
