

SFT Online Program

PowerSchool Parent Portal allows you to complete the **REQUIRED** beginning of the year information online:

- Acceptable Use Agreement*
- Media Release-FERPA for: media, military, post-secondary and potential employers
- Prohibition against Harassment and Retaliation
- Student Code of Conduct Agreement
- Student Email Consent*
- Update Emergency Contact, Home Address/Telephone # and Parent Contact Information

If you have a parent portal account simply log on at <https://powerschool.iwcs.k12.va.us/public/> using the login and password you created to access your account and complete everything electronically.

If you do **not** have a parent portal account, you will need the Single Sign On (SSO) PowerSchool Parent Portal letter from the school that includes the access ID and assess password for a student to create the account. If you have not received a copy of the letter, you should contact the office staff at the school.

Instructions for creating an account are:

- 1.) Listed on the back of the letter you received from your child's school,
- 2.) Available on the IWCS website, Parents/Students, PowerSchool Parent Portal page,
- 3.) You may use the following link <http://www.iwcs.k12.va.us/apps/pages/powerschool>, or
- 4.) Use the QR Code to the right.

Once you have signed into the parent portal click the Applications button in the upper right of your screen.

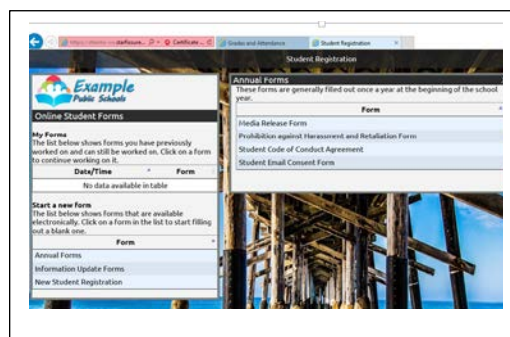

Click SFT online forms link.

You will see a popup window that will link you to the Annual Forms, Information Update Forms and New Student Registration.

Select one of the appropriate links at the bottom of the box. Complete and submit.

Please don't submit the Information Update Forms unless you have made a change to the information.

If you have any questions, please contact the school for assistance.

*You will not see the form, if completed in a previous school year. You only need to complete the AUP and student email agreement once. The other forms must be completed annually.
