INTERDISTRICT ATTENDANCE

The Governing Board recognizes that students who reside in one district may request to attend school in another district and that such requests are made for a variety of reasons.

The Superintendent or designee may approve interdistrict attendance agreements with other districts or requests for interdistrict attendance permits on a case-by-case basis.

The interdistrict attendance agreement shall not exceed a term of five years and shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied. (Education Code 46600)

The Superintendent or designee shall develop regulations which stipulate terms and conditions under which an interdistrict attendance permit may be approved, denied or revoked.

The Superintendent or designee may deny applications for interdistrict transfers because of overcrowding within district schools or limited district resources.
