New Requirements for Next Year's 7th Graders

Starting in the 2017-2018 school year, all students entering 7th grade need to have a physical exam. The physical should be done within the 12-month period before the start of 7th grade. Families should plan ahead and schedule appointments early to ensure the exam is completed in a timely manner. In March, a Form 14 was given to all 6th graders along with a letter from the DOE and DOH. Bring the form to your child's exam to be completed during the visit. Submit the completed Form 14 to the Health Aide before school starts.
