

**NOTICE OF INTENTION TO AMEND THE CONFLICT OF INTEREST CODE  
FOR SEMILLAS SOCIEDAD CIVIL**

**NOTICE IS HEREBY GIVEN** that Semillas Sociedad Civil (“Semillas”), a California nonprofit public benefit corporation, tentatively approved an amended Conflict of Interest Code (“Code”) pursuant to Government Code section 87300 at its meeting on June 29, 2018, and intends to finally adopt the Code. Pursuant to Government Code sections 87200 and 87302, the Code will designate public officials, employees, and consultants of Semillas who make or participate in making governmental decisions that may foreseeably have a material financial effect on any financial interest and who, therefore, must disclose certain investments, interests in real property, sources of income, and business positions, and disqualify themselves from making or participating in the making of governmental decisions affecting those interests. The Code amendments are necessary to accurately reflect the name of the organization and Semillas’ current organizational structure by removing designated positions, adding designated positions, and revising the disclosure categories.

A public comment period has been established commencing on June 29, 2018, and terminating on no earlier than September 9, 2018, (a more than 45-day period). Any interested person may present written comments concerning the proposed Code no later than September 9, 2018, to Semillas’ representative at the address listed below. No public hearing on this matter will be held unless any interested person or his or her representative requests a public hearing no later than 15 days prior to the close of the written comment period.

The exact terms of the proposed Code, and all of the information upon which the Code is based, are available for inspection and copying by interested persons by contacting Semillas’ representative at the address listed below. Any general inquiries concerning the proposed Code should be directed to Semillas’ representative listed below.
